FROM THE PASTOR

SCAMMERS & LIARS

Dear Parishioners,

Some of you have already had the unfortunate experience of being targeted by scammers. Sadly, there are people in the world who will pretend to be a priest in order to convince other people to give them money. From time to time, someone gets their hands on an email list or a group of phone numbers of people in the parish. They then create a fake email or use a temporary cell phone number to send messages pretending to be me.

Usually, these messages involve a lie about needing gift cards or a credit card to help some group of people. A recent one claimed I was trying to help some cancer patients and that I needed gift cards.

Please don't fall for these tricks. I will **never** ask for gift cards via text or email. When you get a message supposedly from me that seems weird, trust your gut. Double check the phone number it's coming from. Is it a weird area code? Look closely at the email address it comes from. Does it use odd spelling or punctuation? If you aren't 100% certain it's me, ignore that message and report it as spam. If you think it might really be me, verify it through some other more reliable form of communication. Contact the office or one of our staff. Still, if it seems weird, it's probably fake.

I've been asked why people do this. It's because it works. People fall for it. If we can get the word out about how not to fall for these scams, they'll stop working and then people will stop trying it. Please be careful.

In Christ,

Fr. Albert

Message to the Faithful of the Diocese of Lafayette
From Most Reverend J. Douglas Deshotel, Bishop of Lafayette
On Faithful Citizenship

In a short time, our country will be entering an important election season. As faithful citizens of our country all of us are called to contribute and participate in the country we live in. The catechism of the Catholic Church teaches, "As far as possible, citizens should take an active part in public life." The Second Vatican Council in *Gaudium et Spes* declares, "One must pay tribute to those nations whose system permits the largest possible number of citizens to take part in public life in a climate of genuine freedom."

As citizens of the United States, we enjoy many benefits from the land we live in. Benefits that have been won by the sacrifices and hard work of those who have gone before us. We contribute to our society locally and nationally by actively participating in the public life of our society. The right to vote and freely elect those in authority should move us to work for the common good as much as we can. As the elections draw near, it is important for all of us to inform ourselves on the issues and candidates who are seeking office. The founding fathers of our nation stated many times that the greatest danger to a democracy is an uninformed citizenry.

As Catholics, we should vote for good laws and good lawmakers who contribute to the common good of our society. Our society is improved when laws protect the sanctity of the family, the building block of any stable country. Human life must be protected at all stages from conception to natural death. Resources should be available for those who are without the basics of human dignity; food, clothing, shelter, and education. A legal and humane pathway should be provided for those who immigrate to our country to escape oppression in their country. Our leaders should work to ensure a stable economy which provides employment and decent wages.

With the election season approaching, I urge all of us as faithful citizens to inform ourselves of the issues and candidates. Pray to the Holy Spirit for guidance as you work for the common good of our society.

Faithfully yours,

Most Reverend J. Douglas Deshotel, D.D.
Bishop of Lafayette
