SAINT AGNES NEEDS YOUR HELP!

We are asking for your assistance by making a sacrificial gift to help us sustain our parish for future generations. Our current deficit is \$365,000 and we have had some costly events happen recently, including the replacement of the rectory boiler at an estimated cost of \$50,000.

We are going through a challenging period in the history of the parish. Please take some time to prayerfully reflect on what St. Agnes means to you, and what it would mean if it were no longer available. Supporting the Church of St. Agnes now is not just about getting through a tough time, it is also for the decades ahead in bringing the Catholic Faith to the public square of New York City.

*Lord, we offer You these first fruits of our labor.
Please bless this sacrifice and use it to Your glory.*
