Many thanks to all those who have organized these large scale events and for all those who showed their support. It is because of generous people like yourselves that joy and fellowship has been cultivated. It takes a lot of work behind the scenes to make it all happen. We all like to see these things happen, but it takes a rare person to step in and say, "I will do it!" Thank you.

### **School has begun!**

Our students are back to school! We are so excited that we can begin with in-person instruction. Our administration, teachers, and staff have been hard at work to prepare for this unique year. As you would have read in the school section of the bulletin, the pink spots in the parking lot are for our students. They have to gather outside first and maintain social distancing from each other before the process can begin to allow them into the school building. It has been a very trying time to have everything right. I ask for your prayers and patience for all those in our school as we strive to follow the proper protocols to ensure our students and all of staff remain healthy and safe. Just a reminder that daily Mass at St. Augustine will be at 8:30 AM during the academic school year.

### **Sanctus Bells and Incense at Holy Mass**

Last weekend at St. Augustine and this weekend at Holy Family, our altar servers have received updated training, appropriate for this pandemic time. Instead of having four altar servers, we will have one server (unless they are of the same household or have made appropriate arrangements). There has been both a broadening and a lessening of duties. During training, they were given instruction on how to use the Sanctus bells and the incense. While I thought that would be incorporated somewhere down the line, the enthusiasm and willingness of these newly trained altar servers have encouraged me to move forward!

One of the beautiful things about the Divine Liturgy is how it is meant to lift our thoughts and minds to Heaven. It is meant to transport us to something beyond the temporal realm, where we are reminded of the eternal mysteries that never change but are mysteriously always new. To convey this mystery even more, if preferable to the priest, the Sanctus bells and/or incense will be used as servers are capable.

Bells for liturgical use can be seen in the Old Testament: on the vestments worn by the high priest (Exodus 28:33-35 & Sirach 45:9). They were worn because we are called to make a joyful noise to the Lord but also because it was believed that they could help against evil spirits. In Zechariah 14:20, we see it as a sign of adoration as "Holy to the Lord" were inscribed on the bells!

"The use of bells in the Church dates back to the fifth century, when Saint Paulinus, the Bishop of Nola, introduced them as a means to summon monks to worship. In the seventh century Pope Sabinianus approved the use of bells to call the faithful to the Mass. The Venerable Bede, an English saint of the eighth century, is credited with the introduction of bell ringing at Requiem Masses. By the ninth century the use of bells had spread to even the small parish churches of the western Roman Empire" (source: <https://adoremus.org/2005/03/15/Sanctus-Bells/>).

Incense is an expression of reverence and prayer. Psalm 141:2 (140:2 - Douay Rheims) states: "Let my prayer be directed as incense in thy sight." St. Paul reminds us in 2 Corinthians 2:15 that "we are the aroma of Christ to God." The use of incense is also seen in Revelation 5:8 in Heaven! Incense is the sacramental sign that engages many of our senses: we can see it, smell it, and even hear it! Did you also know that incense is used to kill viruses and bacteria? "In Biblical times, myrrh incense — often in combination with frankincense — was burned in places of worship to help purify the air and prevent the spread of contagious diseases, including those caused by bacteria. One recent study found that burning myrrh and frankincense incense reduced airborne bacterial counts by 68%" (source: [https://www.healthline.com/nutrition/myrrh-oil#TOC\\_TITLE\\_HDR\\_2](https://www.healthline.com/nutrition/myrrh-oil#TOC_TITLE_HDR_2)). Guess the wise men that visited the King knew what they were doing! We'll definitely do some research into acquiring myrrh and frankincense incense!

The way incense is used also has meaning. Three swings of the incense is used for Christ or a representation/representative of Christ: this is why there will be three swings to the crucifix, the Paschal Candle, the priest, and the people of God! Two swings are given to things that point to the saints such as images, statues, and relics. One swing is offered around the altar (this is why the priest would be in motion as he incenses the altar).

### Livestreaming Mass

There is a lot of work that goes into livestreaming anything well. There are so many checks made prior to the livestream and then there's also the work that goes into any snags that inevitably come along the way! It requires a lot of adaptability. I am so grateful to Cindy for being able to provide this for us for over three years! It is an invaluable outreach to our parish communities as well as our extended families on the other side of our parish boundaries. I wanted to share the exciting news that we are also going to be livestreaming one of the Sunday Masses with Fr. John as well, so that both are available! We could use at least one or two more willing volunteers who can step in to help. If this is something that you enjoy and have an interest in providing this for our parish families, please contact the parish office and let us know!

God bless your week!

In Jesus through Mary,

Fr. Phil

## COVID 19 NEWS

Archbishop Vigneron recently extended the dispensation from the obligation to attend Holy Mass through Monday, November 23<sup>rd</sup>. Our parishes, as did most in the Archdiocese, resumed the offering of public Mass with all safety measures in place. The dispensation is meant to protect those most vulnerable in the pandemic. **Catholics who engage in other activities that would present a similar or greater risk of contamination** (eating out at restaurants, traveling, non-essential shopping, widening one's circle of contacts, etc.) should consider returning to Sunday Mass. One should not use the dispensation as a convenient excuse to avoid Holy Mass on our Lord's Day. While during this time of dispensation it is not considered a mortal sin to miss Sunday Mass, we deprive ourselves of the immeasurable spiritual graces Our Lord desires for us when we actively participate in Holy Mass. The third commandment to keep holy the Lord's Day has not been dispensed with; therefore, every Catholic should seek to sanctify their Sundays with additional time for prayer and observing time for rest. At every offering of Holy Mass, please know that ALL safety precautions remain.

As you arrive for worship, please wear a mask and sanitize your hands as you enter the church. Current guidelines permit 50% of our occupancy capacity. To allow family groups to sit together while maintaining proper social distancing, those attending alone or with smaller groups are asked to be considerate in their seating choices.

Our region is currently in Phase 4 of the *Michigan Safe Start Plan*. In this phase, other non-liturgical gatherings are only allowed insofar as there are 10 or fewer participants. Masks and social distancing measures are still required. This restriction will be affecting many of the parish groups who typically resume activities as summer ends. All parish groups are asked to please contact the parish office to confirm your group's arrangements prior to reconvening and how you will observe and adhere to the limit of 10 participants or fewer.

**Q.** Is it a sin to get a tattoo? I was told that the Bible condemns tattoos.

**A.** There are some Christian communities that teach any tattoo is a sin. However, there are not nearly as many teaching this as there were 50 or 75 years ago. The verse in the Bible that is most often cited is Leviticus 19:28, which says, “*You shall not make any cuttings in your flesh for the dead, or any marks upon you your skin: I am the Lord.*” When you look at this verse in context, you will see that Moses is specifically dealing with pagan religious rituals as he proclaims God’s Law.” Verses 6-8 could be construed to forbid eating leftovers after the second day. Verse 27 forbids men to trim their sideburns or beard. Yet most of these same Christian communities never tried to apply these verses. You can’t just pick and choose what you like and don’t like out of Scripture.

Sacred Scripture must be viewed through the lens that the Catholic Church looks through. These questions must be answered: 1. Who is addressing whom? 2. What is the original language being used? 3. What was the intended message of the author? 4. What are the idioms of this language at that time in history? There are few of us today who are fluent in ancient Hebrew, Aramaic, Greek, and Latin in order to rightly answer these questions. The Church draws on 2,000 years of such people who have passed their knowledge down to us.

Anyone getting a tattoo today must honestly ask themselves, why am I getting this and what is the meaning of this design? Is this any kind of a satanic symbol, or expression of witchcraft, or some sort of idolatry or pagan symbol? If so, as Christians, we should drop the idea. The ice here is way to thin. Don’t venture out onto it.

**RECLAIMING SUNDAY, THE  
LORD’S DAY!!!**

**EXPLORE THE SUNDAY GOSPEL  
The First Prediction of the Passion  
MT 16:21–27**

Jesus began to show his disciples that he must go to Jerusalem and suffer greatly from the elders, the chief priests, and the scribes, and be killed and on the third day be raised. Then Peter took Jesus aside and began to rebuke him, “God forbid, Lord! No such thing shall ever happen to you.” He turned and said to Peter, “Get behind me, Satan! You are an obstacle to me. You are thinking not as God does, but as human beings do.” Then Jesus said to his disciples, “Whoever wishes to come after me must deny himself, take up his cross, and follow me. For whoever wishes to save his life will lose it, but whoever loses his life for my sake will find it. What profit would there be for one to gain the whole world and forfeit his life? Or what can one give in exchange for his life? For the Son of Man will come with his angels in his Father’s glory, and then he will repay all according to his conduct.”

**TAKE TIME TO CHAT**

- ✠ What do you think the apostles thought when Jesus told them that he was going to suffer, die, and be raised from the dead?
- ✠ Jesus told Peter he was an obstacle to him. Why do you think he said that?
- ✠ Is the devil real? Why does the devil want to hold us back?

**FAMILY FUN**

Enjoy this last Sunday of summer by taking a family day trip. The following are five destinations that are no more than three hours from metro-Detroit:

1. Detroit – Explore the Riverwalk and Belle Isle to see the Detroit River and city skyline. Take a ride on the carousel at Rivard Plaza, and check out some of the cultural institutions like the Michigan Science Center and the Motown Museum.
2. Ann Arbor – Ann Arbor has great shopping, dining, and destinations like the Ann Arbor Hands-On Museum. Some families may also be surprised to find out that your trip can also include kayaking or canoeing along the Huron River.
3. Frankenmuth – Most families are familiar with this favorite day-trip destination, especially if they’ve ever stayed at hotels like the Bavarian Inn and Zehnder’s. When it comes to things to do in Frankenmuth, you can also enjoy boat rides on the Cass River and, of course, a world-famous chicken dinner.
4. Grand Rapids – The Grand Rapids Children’s Museum is a great destination for families with its interactive, hands-on exhibits, and older children interested in history are likely to appreciate the Gerald R. Ford Presidential Library and Museum.
5. Kalamazoo – If your kids love checking out planes overhead, a city like Kalamazoo should definitely make your top day-trip destinations list. At the Air Zoo, originally opened as the Kalamazoo Aviation History Museum, kids can see more than 50 rare and historic aircraft, enjoy amusement-park-style rides, take part in flight simulators, and check out historical exhibits.

Mail Call (continued from page 4)

When we consider the context of Leviticus 19, we see that it is not forbidding all expressions of tattoos. Culturally and specifically here in the US, tattoos, over the last 25 years, have become more socially acceptable. A recent study by Pew Research claims roughly 40 percent of Millennials have tattoos. It's no longer just drunken sailors or outcasts of society with tattoos; moms, doctors, attorneys, entertainers, even pastors can be found with tattoos. The term "tramp stamp" is disappearing from our vocabulary.

God is much more concerned with the condition of our hearts than He is with our outside appearance. The Bible says in Revelation 19:16 that Jesus has written on His thigh the words: "KING OF KINGS AND LORD OF LORDS."

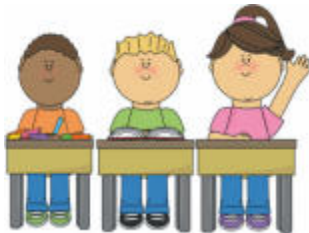

The question still remains: Is it wrong for **ME** to get a tattoo? It comes down to personal conviction and we must never try to ignore God's dealing with us personally. But, neither should we try to push our personal convictions on others. Ultimately, the decision should be a prayerful one between you and God.

Remember, Fr Phil, Fr John, and Deacon Alan are always here to help guide us through our difficult decisions.

## PRAY! PRAY! PRAY!

### Rosary for Life, Our Country and the K of C

The Knights of Columbus will be reciting the Rosary next month on Saturday, September 12, 2020 at 12:00 noon around the flag pole at Holy Family. Please join us as we pray for our country and our church as well as the intentions of the K of C.

Remember our Blessed Mother invites us to pray, pray, pray as she has shared in numerous visitations. The rosary has worked miracles and is a powerful weapon against evil.

So, until we meet again at the flag pole, pray the Rosary everyday, using this powerful tool against the unrest and the evils in the world and to strengthen our families.

**See you there!**

### Labor Day, Monday, September 7, 2020

Labor Day, the first Monday in September, is a creation of the labor movement and is dedicated to the social and economic achievements of American workers. It constitutes a yearly national tribute to the contributions workers have made to the strength, prosperity, and well-being of our country.

The vital force of labor added materially to the highest standard of living and the greatest production the world has ever known and has brought us closer to the realization of our traditional ideals of economic and political democracy. It is appropriate, therefore, that the nation pays tribute on Labor Day to the creator of so much of the nation's strength, freedom, and leadership – the American worker.

<https://www.dol.gov/general/laborday/history>

**The staff of Holy Family wish you and your family a peace-filled, restful Labor Day Weekend.**

**In observance of Labor Day, the parish office will be closed on Monday, September 7, 2020.**
