

THE GIFT OF CREATION: THE GIFT OF GOD'S LOVE IN OUR COMMON HOME

Discover the Gift of Creation: A Transformative Retreat Experience

Join us for an immersive retreat where you'll learn by exploring creation first-hand by listening, seeing, and feeling its presence.

This unique experience involves establishing a right relationship with creation, yourself, and others by respecting creation as a precious gift.

Why Attend?

- Gain a deeper connection with the natural world.
- Develop a holistic approach to living in harmony with creation.
- Be inspired by diverse perspectives and teachings.

Our Retreat Leader:

Bro. Louis Canter, OEF is a Pastoral Assistant for Saint Joseph Catholic Church in Lakeland, Florida. He is a member of the Order of Ecumenical Franciscans and founder of Franciscan Ministry of Peace.

What You'll Learn:

- Understand the gift of creation through the Franciscan approach of the Cantic of the Creatures.
- Explore the Thanksgiving Address-Greetings of the Natural World and learn about right relationships from indigenous stories.
- Envision and create your own cantic of creation based on your understanding and appreciation of the gift of creation.
