

# *The Respect Life Club of St. Mark Catholic School*

St. Mark students in grades 1 through 8 are invited to join the *Respect Life Club* to:

- *promote an active culture of respect for human life through prayer, education, awareness, and participation in community service;*
- *reinforce the St. Mark Catholic School mission to uphold the dignity of the person and to teach respect for others as unique individuals and as members of the body of Christ;*
- *prepare our children to be leaders within Church, local, and global communities to protect human life through all of life's stages, ages and levels of development.*

**MEETINGS:** Students will *meet once a month on a Tuesday immediately after school*. Upon dismissal, participants will meet in the school (location TBD) accompanied by Safe Environment cleared adults (club officers/parent members). *Meetings will adjourn at 4:30* and parents may pick their children up in the cafeteria. Parents are always welcome to attend the meetings with their children, though frequent visitors are encouraged to apply for Safe Environment clearance per school administration guidance. A description of meeting topics and activities can be found on the St. Mark School website ([www.stmcs.net](http://www.stmcs.net)). **An annual fee of \$10 per family** will be collected to cover expenses (snacks, speaker fees, materials, etc).

**EXTERNAL EVENTS:** Approximately once per semester, members of the club will have the opportunity to participate in an off-campus respect-life activity (i.e. Hike for Life). Additional permission slips may be obtained for these events.

Please feel free to contact any of the 2015-16 RLC officers with questions throughout the year at [stmarkrlc@gmail.com](mailto:stmarkrlc@gmail.com).
