The 42nd Annual

Hike for Life

Saturday, September 26th, 2015

John Paul II – High School Plano, TX

The *Hike for Life* is an event for the whole family to promote a culture of life and to raise funds for local Women's Pregnancy Resource Centers and ministries in the Dallas/Fort Worth area and throughout Texas. Join friends, family and fellow parishioners from surrounding parishes. We encourage the support and participation by our local churches, schools and youth groups. Bands, cheerleaders, sports teams, debate teams, bible study groups; you name it... **all are welcome**. We invite all ministries to come join the excitement and **celebrate life** at our premier educational facility, **John Paul II High School**.

Bishop Kevin Farrell of the Catholic Diocese of Dallas has made it a key goal to foster youth participation in Pro-Life activities saying, "**We need to create a new culture of life. We do that by building on our younger generations.**"

This is the 42nd year the *Hike for Life* has been in Dallas. In 2014, 11 Hikes in the Dallas/ Fort Worth area raised over \$80,000 to support lifesaving ministries helping moms & saving babies. Experts tell us, over 90% of expectant mothers who see a sonogram choose life for their baby.

Enjoy music, refreshments and hot dogs served up by the Knights of Columbus. Exhibits and information provided by the Catholic ProLife Committee, Birth Choice, White Rose and other Respect Life ministries and school clubs. Special guest speakers and clergy will be on hand.
