

Math with Mrs. Rivera

What I expect of you:

- Come to class on time with required materials, and be ready to work.
- Pay attention in class, and ask questions if you have them.
- Take care of your IN: write legibly, cut neatly, and take down complete notes. If you are absent, please get the notes from a classmate, or come see me. An IN should be a great resource when studying for tests, mid-terms, and finals. (Your IN will periodically be checked and graded.)
- HW needs to be completed in your IN if it is a textbook assignment, unless otherwise specified by me.
- Be prepared physically and mentally when you enter the classroom. Restroom breaks are allowed, but when you are not present, you might miss something important.
- Be respectful of others' learning and cooperate with your tablemates.
- Share the bucket supplies.
- No one is perfect, not even me. When someone makes a mistake, or asks a question, it is an opportunity for everyone to learn. In this class, we treat each other with kindness and respect.

What you can expect from me:

- I will respect who you are.
- I will trust you until you give me a reason not to.
- I will work with you to meet our learning goals.
- I will offer extra help when you need it.

Required materials -- Please bring the following to class with you every day:

- Interactive Notebook (IN)
- Writing utensils: sharpened pencils, eraser, highlighter
- Books: textbook and workbook
- Other: loose notebook paper, calculator, and ruler
- Positive attitude, strong work ethic, and love of learning are preferred.

Academic Integrity:

- I take cheating/sharing answers/copying extremely personally. Dishonesty of any kind will not be tolerated *in this* classroom. I expect you to complete your own work.

Help:

- I want to work with you to make this a successful year for you. In order to do that, you must be responsible for completing your work and asking for help when you do not understand a concept. I will be available for tutoring at 7:15 before school M-Th. Please ask for help or come in.
