

# JULY

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
						Enjoy the day and do something extra kind for each of your family members.
Sunday Family Fun Day! Practice your prayers.	It is the 7th month, Count to 7 and then find 7 triangles in your house.	Find things that sink or float. Predict outcome first!	Dip the back of a fork in paint and press onto paper to make cool fireworks.	Talk about words that rhyme with "snake."	Using playdough, make the numbers 1-10.	Enjoy the day and do something extra kind for each of your family members.
Sunday Family Fun Day! Practice your prayers.	Practice saying your address, phone number, and birthday.	Read a book about animals then take a walk and "spy" as many animals as you can.	Help make your lunch. What items were kept in the fridge? The pantry? Why?	Find 7 things that begin with the letter "P."	Write your name using a different color for each letter.	Enjoy the day and do something extra kind for each of your family members.
Sunday Family Fun Day! Practice your prayers.	Hop on one foot and count to 10. Can you do 20?	Use tweezers/tongs & cotton balls to fill up different size cups. Count how many it takes to fill each one.	Use shaving cream to write the alphabet. Say the sounds too.	On your driveway, lay down and have someone trace around you using sidewalk chalk. Then use your shoe to measure how tall you are.	Neighborhood starts with the letter "N." Take a walk and talk about everything you see that start with "N."	Enjoy the day and do something extra kind for each of your family members.
Sunday Family Fun Day! Practice your prayers.	Use crayons and brown bags, make sack puppets. Give a puppet show.	Make the letters in your name using rocks.	Think of 4 foods that are brown. What about green?	Put all silverware in a large pile. Sort and put away.	Turn on music and dance with your family. Who can be the silliest?	Enjoy the day and do something extra kind for each of your family members.
Create a fort using chairs and blankets. Get a flashlight, go in the fort and read a good book.	Say the months of the year. How many all together? Which month are we in now?
