

## **1<sup>ST</sup> GRADE VIRTUAL SCHOOL DAY INFORMATION**

In the event of a virtual school day, First Grade students will not need to log in virtually. Teachers will send home a packet (if virtual day is known ahead of time) or parents will need to print the packet from the virtual learning link on the St. Mark website. Packets will be collected when the student returns the next day. Attendance will be counted as present when the packet is returned. If not returned, the student will be counted as absent. Directions are at the top of each page in the packet.
