

2nd GRADE VIRTUAL SCHOOL DAY INFORMATION

*In the event of a virtual school day, 2nd grade students **do not need to log in virtually.**

*Teachers will send home a packet (if virtual day is known ahead of time) or parents will need to print the packet from the virtual learning link on the St. Mark website.

*Parents will need to check their email as teachers will send them information to links needed for the activities. Students will need to have access to Seesaw.

***Packets must be brought to school and turned in upon return to class.** Attendance and grades will be based on the packet being at school upon return and the completion of activities.

Thanks,

Mrs. Hernandez, Mrs. Helm, Mrs. Raymond
