

3rd Grade Lesson Plans for Virtual Learning Days

Dear Parents,

Third Grade students will utilize Google Classroom for any Inclement Weather Day assignments. The schedule we will follow for these days is as follows:

8:00-11:00 AM: Synchronous Instruction and Independent Work

1. Login to Google Classroom at 8:00 am. Go to classroom.google.com and use your Google login. The login information should be in the back of the student planner. Students will click the Google Meet button.
2. Students should come prepared with notebook paper, spirals, any books sent home by the teacher, a pencil, and a device (iPad, computer, or laptop) to complete work. Please ensure that materials are easily accessible.
3. Students will stay with their homeroom teacher only during this time.

Please Note: Students must stay on camera for all three hours to be counted present. We will take periodic breaks.

Thank you,
Third Grade Teachers
Mrs. Coble, Ms. Gildenstern, and Mrs. Snook
