

6th Grade Virtual Day Plans – All 6th grade students

Dear 6th Grade Students,

Since we are unable to meet at school today students will be online for 4 hours: 6th Grade will log on in 6th Grade Information Google Classroom first. They will then log on with their classes for that day for 60 minutes each with a 5-minute break between classes to transition, go to the bathroom, etc. Students must stay online for the entirety of the synchronized lesson. Students must be in a spirit shirt or school uniform, not in a bedroom, no background distractions (pets, hats, background noise, etc.)

SAMPLE SCHEDULE – Schedule will imitate that of the school day that is online.
