

# 3<sup>rd</sup> Grade Lesson Plans for Virtual Learning Days

Dear Parents,

On Inclement Weather Days, third grade students will use Google Classroom to complete assignments. Please review the schedule and expectations outlined below.

## 8:00–10:00 a.m. | Synchronous Instruction

- Students should log in to Google Classroom at 8:00 a.m. by going to [classroom.google.com](https://classroom.google.com) and signing in with their school Google account. Login information can be found in the back of the student planner.
- Students will click the Google Meet link to join the class.
- Students should be prepared with notebook paper, spirals, any books sent home by the teacher, a pencil, and a device (iPad, computer, or laptop). Please ensure all materials are easily accessible.
- During this time, students will remain with their homeroom teacher only.

## 10:00–11:00 a.m. | Asynchronous Instruction & Independent Work

- Students will complete assigned coursework independently.
- All completed work will be turned in on the next school day.

**Please Note:** Students must remain on camera from 8:00–10:00 a.m. in order to be counted present.

Thank you for your support and partnership.

Sincerely,  
Third Grade Teachers  
Mrs. Coble, Ms. Gildenstern, and Mrs. Snook
