# Our Lord Jesus Christ, King of the Universe

## FROM THE DESK OF THE PASTOR

Our Opening Prayer today speaks of God's power: "Almighty and merciful God, you break the power of evil and make all things new in your Son Jesus Christ, the King of the Universe." When asked "What exactly is the kingship of Christ?", Pope Emeritus Benedict XVI said: "It is not that of the kings and of the great of this world; it is the divine power to

give eternal life, to liberate from evil, to defeat the dominion of death. It is the power of Love that can draw good from evil, soften a hardened heart, bring peace to the bitterest conflict, turn the thickest darkness into hope. This Kingdom of Grace is never imposed and always respects our freedom" (Angelus, November 22, 2009). Unlike so many earthly rulers, the legitimacy of His power is not demonstrated by external force. Instead, His goodness and power attract us and summon us, revealing to us the DEEPEST truth concerning our life and who we are. Again and again, the Lord says to his disciples and to us, "But who do you say that I am?" He bids us to freely confess him and to follow him, so to reign with him.

*Fr. Russ*

### The Human Body

"Pope John Paul II's theology of the body speaks of the human body as having a spousal significance. This means that the human body by its very nature signifies that we humans are directed to relationship—that we are to seek union with others. It is only in relationship that we achieve a true wholeness as a communion of persons." To read the document go to: <http://www.usccb.org/loveandlife/>.
