Lenten 40 Days For Life Campaign

Come join fellow Catholics in this Spring's **40 Days For Life** campaign from Wednesday, Feb 14th – March 23rd. This pro-life event brings people together at the local level to help struggling moms, promote the sanctity of life, and to peacefully bring an end to abortion through prayer, fasting, and compassionate witness outside nearby abortion-promoting centers. Since 2007, over 24,000 babies have been saved worldwide!

It's easy – no special skills required. If you can pray, and you can smile, then you can participate. No matter your age, please consider signing up for at least one of the many 1-hour vigil slots available 6 days a week, M-Sat, from 8 AM to 8 PM. Prayer takes place on the public sidewalk in front of Planned Parenthood, 3706 Orin Road, Madison.

Madison Vigil for Life has sponsored the local **40 Days for Life** campaigns in Madison since 2007, blessed with the strong support of both Bishop Morlino and Bishop Hying.

Our Parish community, both St John's and St Mary's are committed to have volunteers pray for an hour on Mondays either at the 12:00 Noon or 1:00 time slots. We invite parishioners from our entire Pastorate 18 to participate. If times other than that are more convenient, all hours of the day need to be covered.

If you'd like to help out, please contact either Rita Endres at 849-5465 or Margie Blau at 849-9635. Thank you in advance for your consideration.

PASTORATE 18 NEWS

From the Transition Team

Building and Grounds Update

The following is an update from Pastorate 18 parishioner Patty Clemens, who is spearheading the Building and Facilities Committee in the midst of Phase 1 of the Into the Deep transition process. Phase 1 began last July and will continue until the parish merger takes place.

The Building and Facilities Committee's goal in Phase I is to look at all of the property in the Pastorate and determine how they fit into our mission as a new parish. Along with looking at the four church buildings and associated structures, we have been collecting data on each of the four cemeteries, as well. The committee includes individuals from Blessed Trinity, St. John the Baptist, and St. Mary of the Lake.

After a guided tour through all of the churches, schools, and rectories, it was decided to contract with a professional firm to do a facilities assessment. CG Schmidt completed their detailed inspections with their Director of Field Operations and a Project Engineer in early December and presented their report to the committee and Fr. Joe on January 31. They investigated and documented the condition of visible elements of the buildings, cemeteries, and parking lot infrastructures.

They identified for us both general maintenance issues and long-term concerns. The report breaks down what they recommend should be completed in three different categories, based on their opinion of need. For example, what should be done in 2024, versus 1-4 years and 5-9 years.

The categories they used included general building, electrical, HVAC, plumbing, exterior, and sitework. Then, those general categories are broken down into specific line-item details. They have provided a photo narrative of needed repairs, detailed location of where in the building, and budgets for those items noted. The budgets provided are for the purposes of prioritizing and decision making only.

This committee has made great progress so far in setting our new parish up to be in a great position to make decisions on future building maintenance and usage

Simultaneously, we have also been discussing the need for a centralized parish office - i.e., 10 to 12 office spaces located in the same building. The goal is to help the pastorate's staff more effectively communicate and to function as a team. Fr. Joe has been exploring the possibility of renovating the St. John the Baptist rectory for this purpose. More information will be forthcoming.

Fr. John Burns introduces you to the pillars of Lent—prayer, fasting, and almsgiving. Fr. John encourages you to reflect on what practices you will commit to this Lent and how they will help you to journey through the events of the paschal mystery to the glory of the resurrection. Although not an easy path, the Lord will give us the graces to endure the suffering as Christ did and grow ever closer to the father.
Will you join him on this pilgrimage?

Memory Cafés to Resume

AND

Caregiver Resource Fair Planned in Waunakee

After over two years of limited activity, Waunakee's Dementia Friendly Committee is announcing that the Waunakee Memory Café will resume in March, on the first Thursday, March 7 and that a Caregiver Resource Fair will be held on Tuesday, May 21.

The Memory Café is a comfortable social gathering that allows people experiencing memory loss and their loved one an opportunity to connect, socialize and build new support networks.

The Memory Café offers lighthearted activities that may include music, art, games and guest speakers. These activities may rekindle memories, start conversations, bring laughter and reduce social isolation. There is no fee to attend the Memory Café and refreshments are provided.

The Caregiver Resource Fair will feature representatives from agencies and organizations that can assist those caring for loved ones or friends who cannot care for themselves. The representatives will inform those attending of services they provide to assist caregivers. Invitations are being issued to agencies and organizations throughout southern Wisconsin. Again, there is no fee and refreshments will be provided.

More details about both programs will be announced in a few weeks. If you would like to participate in the Memory Café or would like more information about either event, please contact the Waunakee Senior Center at 608-849-8385.
