SAINT ANDREW SCHOOL

MISSION STATEMENT

**BUILDING A CULTURE OF LIFE AND A CIVILIZATION OF LOVE
THROUGH FAITH AND KNOWLEDGE.**

**Saint Andrew School exists to provide
a quality Roman Catholic Education rooted in the Gospel.**

We strive to:

- Develop well-rounded, 21st Century learners who accept everyday challenges and embrace life's opportunities
- Help students recognize, appreciate and develop their God-given gifts and talents
- Inspire students to be responsible, global citizens and use their individual gifts and talents to serve our school, parish, community and the world in which we live

We propose to do this by:

- Providing an atmosphere which is safe, peaceful, just, and respectful toward all
- Developing and nurturing a strong moral code and healthy self-discipline in each child

- Integrating a curriculum based on the Common Core State Standards that expands and elevates student thinking through the use of the Religion, Rigor & Relevance Framework
- Fostering the development of the whole child in collaboration with the family and the Saint Andrew Community

In support of our mission, we have adopted the following statements of belief:

- We believe Catholic Education offers each student an opportunity to strengthen his or her relationship with God. From learning the foundations of our faith, to sharing and living God's way, students can grow in the understanding of Jesus' teachings.
- We believe Catholic Education inspires students to grow as Disciples of Christ through an engaging, nurturing, and challenging interdisciplinary curriculum that focuses on the education of the whole child in a faith-based environment.
- We believe children are gifts from God and are valued as individuals with unique spiritual, physical, social, emotional and intellectual needs.
- We believe Catholic Education, in combination with the school and its community, serves as a role model for all who witness our students' knowledge of their faith, work in their community, and love of their neighbor.
- We believe Catholic Education prepares all students to be stewards of the faith, active participants in, and service-minded leaders of, our school, the community, and beyond.
- We believe a Catholic Education allows a person to practice his/her faith and build a foundation of love, acceptance, and kindness so necessary in our world.

All students and family members who have accepted admittance to Saint Andrew School agree to support this mission.

"Catholic education is indeed concerned with the whole person, with his or her eternal destiny and with the common good of society, which the Church herself strives to promote. In practice this requires that the physical, moral and intellectual talents of children and young people should be cared for, so that they may attain a sense of responsibility and the right use of freedom and take an active part in the life of society."

JOHN PAUL II, Address to a group of U.S. Bishops, 28 October 1983

BACKGROUND

ACCREDITATION

Saint Andrew School is accredited by the Middle States Association of Colleges and Schools, a recognized accrediting agency by the State of Pennsylvania, and maintains membership in the National Catholic Educational Association.

FACULTY

Students at Saint Andrew School are taught by a faculty of educated, experienced, dedicated teachers and Sisters of St. Joseph, who consider the well-being of each child as their top priority. Every teacher on staff holds a college degree, twelve faculty members hold Master's degrees and one holds a Doctorate in Education. The faculty is committed to building strong moral character by creating an environment that positively reinforces the accomplishments of each student. It is an environment that not only teaches students about religious, social and academic skills, but one that gives them opportunities to demonstrate those skills every day.

ACADEMIC PROGRAM

Saint Andrew School provides a quality Roman Catholic education to students in pre-school through eighth grade. Its academic program includes instruction in the Catholic faith and a full curriculum of core content areas as approved by the Archdiocese of Philadelphia and the Commonwealth of Pennsylvania including physical education, health, technology, library, art and music. A before and after-school program (C.A.R.E.S.) provides for the care of students of working parents. Extra-curricular programs include: altar servers, instrumental band, chorus, drama, art club, coding club, Science Explorers, The Knight School and CYO athletics.

ADMISSION

POLICY

Saint Andrew School exists primarily to educate the student population of St. Andrew the Apostle Parish in Drexel Hill. With adequate facilities and space available, it is open to accept Catholic students from other parishes with the permission of their proper pastor; and then all other students respectively. No student is denied admittance based on sex, color, race, or ethnic origin. It does not discriminate on any of these bases in the administration of policies and school programs.

ADMISSION AGE

In accord with the guidelines set by the Archdiocese of Philadelphia and Upper Darby School District the admission age as of August 31st each year is:

- Pre-School (3) is 3 years;
- Pre-School (4) is 4 years;
- Kindergarten is 5 years;
- First grade is 6 years.

REGISTRATION

Each family must re-register annually. Dates for re-registration are published in school communications and the church weekly bulletin. New families who wish to register must contact the school office: 610-259-5145.

*“Children are people, and they should have to reach to learn
about things, to understand things, just as adults
have to reach if they want to grow in mental stature.*

*Life is composed of lights and shadows, and we would be untruthful, insincere, and
saccharine if we tried to pretend there were no shadows. Most things are good, and they
are the strongest things; but there are evil things too, and you are not doing a child a favor
by trying to shield him from reality.*

“The greatest challenge to Catholic education in the United States today, and the greatest contribution that authentically Catholic education can make to American culture, is to restore to that culture the conviction that human beings can grasp the truth of things, and in grasping that truth can know their duties to God, to themselves and their neighbors. In meeting that challenge, the Catholic educator will hear an echo of Christ’s words: ‘If you continue in My word, you are truly My disciples, and you will know the truth, and the truth will make you free.’ (Jn 8:32) The contemporary world urgently needs the service of educational institutions which uphold and teach that truth is ‘that fundamental value without which freedom, justice and human dignity are extinguished’.”

[JOHN PAUL II, Address to a group of U.S. Bishops, 30 May 1998]

DISCIPLINE

Saint Andrew School, in line with the ideal of Catholic education, is not simply an academic experience; rather it intends to engage the entire person in truth and charity. It aims to form human beings, who—though flesh and blood and existing in time and space—are destined for the fullness of life “beyond the surly bonds of earth . . . (to touch) the face of God.” Saint Andrew School in its educating philosophy embraces the central theme of the Catholic faith, namely the Paschal Mystery, as the foundation of its formation of our students to adulthood. The Passion and Death of our Lord precedes His glorious Resurrection, therefore whether we find ourselves in a Calvary or Easter moment; we must always experience it within the full context of the mystery. This entails respecting and loving our children enough to tell them the truth about themselves and confronting their tentative efforts and bad behaviors early to assist them in avoiding these enemies of their future success and happiness. [*Msgr. Grous*]

As disciples of Jesus, we understand that discipline is a Code of Christian Behavior of the disciple of Jesus that calls us to personal responsibility and respect for oneself and others. Saint Andrew School staff will use techniques that enable the student to solve problems while keeping their dignity intact. When students fail to meet the expectations of the Code of Christian Behavior of Saint Andrew School, the appropriate process will be engaged to redirect the behavior.

Minor infractions: tardiness, improper uniform, chewing gum or eating, ignoring school rules, etc. will be dealt with appropriately by the disciplining staff member. These will be logged in OPTION C’s conduct area by the homeroom teacher. A student’s inability to self-direct a solution to the noted infraction may result in further disciplinary action.

Major infractions: any type of bullying, threats, defacing property, improper cell phone use, disrespect toward a teacher or staff member, forgery, plagiarism (see p. 26), cheating, harassment, stealing or fighting will result in immediate referral to the Administration and contact to a parent. The teacher will log the behavior in OPTION C discipline. The Administration may call upon the Discipline Review Board, in some circumstances, to review and recommend appropriate disciplinary action. Depending on the circumstances this may include suspension or expulsion.

The Discipline Review Board is made up of a cross section of school faculty and is responsible for monitoring student behavior along with the classroom teachers. The board meets with the Principal and Vice Principal to make school policy changes and to recommend disciplinary action for major infractions brought to its attention by the faculty.

SAINT ANDREW SCHOOL

CODE OF CHRISTIAN BEHAVIOR

The graduates of Saint Andrew School, as children of God, grateful stewards of the gifts He gives through Jesus Christ and the Holy Spirit, and students of Saint Andrew School, are asked each day:

- ❖ **In the Spirit of Charity**, to follow the teachings of Jesus Christ and to spread the Good News of God's love;

With the help of Jesus Christ, Saint Andrew School graduates will work to build God's kingdom of love and understand that their behavior, either appropriate or inappropriate, reflects upon themselves, their families, and their school. BULLYING

Every student deserves to be respected regardless of their appearance, behavior, status or other factors. A bully is a person who demonstrates an imbalance of power over another. They show power and get pleasure from their actions through repeated acts. Bullying occurs in many forms:

- Verbal or Written: insults, taunts, or gossip
- Emotional or Relational: acts of intimidation, withdrawing, rumors, or rejecting in order to assert control
- Physical: pushing, shoving, tripping, or any physical harm
- Sexual: verbal comments or unwanted touching
- Cyber: the use of technology to intimidate or taunt

Because I am a ***Respectful, Empathetic, and Responsible*** student I will not bully or allow it to take place. Bullying has been explained to me; I understand what bullying is and the form it takes.

I, _____
will not bully and will be a responsible reporter if I witness it. [Student Signature]

We/I, _____,
have read this contract with our child. [Parent(s)/Guardian(s) Signature(s)]

Prayers begin at 8:00 A.M. followed by announcements, school peace pledge, and flag salute. **A student is considered to be tardy after 8:00 A.M.**

Late Attendance/Early Dismissal

Regular attendance and punctuality are essential to a student's progress and to the formation of good habits. Students with excessive absences or lateness may be required to attend summer school. In cases of eighth graders, participation in graduation may be in jeopardy until work/summer school is completed.

The school allows the late admittance/early dismissal of students for business that cannot be handled outside school hours. Requests must be put in writing to the main office or homeroom teacher. Students should be dropped off and picked up at the Main Office. Parents must sign students in/out at this office. Parents agree not to go directly to student's rooms nor will students be allowed to wait outside. Students may not leave the school premises without parents' permission once they arrive in the morning. If leaving during the day, students must be accompanied by an adult. Students must present a note from parents any time the daily routine is altered. The note must state the reason for the request (e.g. appointments, change in dismissal route).

During school hours buildings are locked. Parents/visitors must gain admittance at the Main Office, located in the Fr. McShain building on Mason Avenue.

School Cancellation News

School cancellation will be announced over local news broadcasts if school is canceled due to inclement weather. Additionally, an Option C alert will notify parents of cancellations or early dismissals. This information will also be available on the Saint Andrew Website: www.saintandrewschool.com. Please check messages prior to calling the school when you receive a parent alert. The office needs to keep the phone lines open for emergencies and bus company communication.

Absence or Lateness

Each time a student is absent or late, parents are to call the office at 610-259-5145 and leave a message on extension 18, or use the [online absence reporting system](#) by 8:30 A.M. An absence note stating the reason and dates for absence is to be presented to the teacher upon return to class, unless it is submitted

through our [online absence reporting](#). A Physician's note is required for any student who is absent for three consecutive days. A student who has been absent with a contagious condition must bring a doctor's note stating the child may return to school. Please notify the teacher of appointments, family trips, funerals and other necessary events. Our Attendance Policy is aligned with the changes of the state law, **24 P.S. §§ 13-1326 – 13-1354: Compulsory School Attendance, Unlawful Absences, and School Attendance Improvement Conferences**, revised and reissued November 2018 (Appendix A).

SAFETY AND SECURITY MATTERS

Communication

Proper Paperwork: It is imperative that parents complete the appropriate paperwork and keep the main office updated with changes. Every change of address, work/home/cell number, emergency contact or family name must be reported to the school office as soon as possible. Up-to-date records are needed in case of emergency. Please send the changes in writing and the office will forward changes to all appropriate 'lists'.

All communications are posted on the website www.saintandrewschool.com. The website operates best in Mozilla Firefox and Google Chrome browsers. Please visit regularly to keep up-to-date with school news. All forms your child will need regarding re-registration, and permission for sports etc. can be found at www.saintandrewschool.com; download and return to school in a marked envelope. Registering for hot lunch and pretzels can be ordered from the website and payments are made through Paypal. Access is available under the Home and School tab.

Illness During School Hours

If a student becomes ill, either a parent or a designated adult must come to the School Office for the student. The emergency contact should be available during school hours. An Upper Darby School District nurse is scheduled one day a week. Volunteer parent nurses are asked to complete the schedule of care in the Nurse's Office. When a student must leave school early due to illness, the designated adult must sign the student out in the book inside the Main Office.

If a student is absent or sent home ill or injured during the day, they may not participate in an after-school game or practice. Failure to abide by this policy may result in the student being placed on athletic probation. This also applies to students who attend Saint Andrew School but play for other parishes.

Dispensing Medication

Prescription medication for personal use shall be allowed ONLY under the supervision of the school medical personnel, with written orders from a physician. School personnel will dispense medication only in extreme cases in place of the nurse. Medicine for chronic illnesses/conditions must be in the original container and accompanied by specific directions/permission for dispensing it. Medicines that are needed on a daily basis are kept locked in the Nurse's Office. Students are not to have medication with them in school - either prescription or over-the-counter medicine.

When children return to school after an absence for illness, they should be well enough to not need medicine. Parents should inform teachers that a child is taking medication regularly for a chronic condition when either the medication or the condition could affect the work/behavior of the child during the school day.

Saint Andrew School must be notified if your child develops any communicable condition such as: Covid19, strep throat, chicken pox, pinworm or head lice.

Parents Dropping-By School

Teachers are not permitted to leave classrooms while class is in session to answer the phone or confer with parents. If a conference is needed during the school day the teacher must have notified the office in advance with the name of the visitor. Parents and volunteers are not permitted to go to the classrooms

without permission from administration. When the rare occasion necessitates the dropping off of lunches, clothing or a project, it should be delivered to the Main Office marked with the child's name and homeroom.

Faculty Rooms

The Faculty Room allows the teachers to have some privacy which at times requires a discussion of personal student matters. We respectfully request that parents and students refrain from entering these rooms.

Safe Environment Clearances

In accordance with the laws of the Commonwealth of Pennsylvania and the directives of the Archbishop of Philadelphia, all volunteers working with children must apply for the appropriate "Safe Environment" clearances from both the Archdiocese of Philadelphia and the Commonwealth of Pennsylvania. The forms can be downloaded from our website.

Lunch Program

All Saint Andrew students in grades PreK 4-8 stay for lunch. Three lunch periods are scheduled for the students. While teachers monitor each lunch period, volunteer parents' assist.

Volunteers sign up for days that best fit their schedule. Students are expected to be courteous to all parents as well as to the staff.

Parents are requested NOT to visit at lunch unless scheduled to volunteer. Parents who need to deliver a lunch, marked with the child's name and homeroom, should bring it to the Main Office. Encourage your children to remember their lunch in the morning in order to decrease the number of interruptions at school. Parents are asked NOT to bring fast food and other 'special' lunches to school for the children.

If your child has a peanut allergy it is the responsibility of the parent to make the teacher aware each year. If it is an airborne allergy your child will be given a designated area to eat.

Hot lunch

Hot lunch is available once a week during the school year. These orders must be placed in advance at the beginning of each semester. Please go to the Saint Andrew School website to submit your order.

**Volunteers are welcome (with clearances) to assist in the cafeteria and schoolyard.*

Winter Weather Guidelines

Students will go outside for recess at 10:00 AM and at mid-day unless the temperatures are extremely low, the winds are at high speed, or there is some form of precipitation. In addition, our students often travel between buildings during the day. Therefore, it is imperative that the students arrive at school dressed appropriately for cold weather. Children need to wear winter coats, hats, gloves or mittens and scarves. Female students are permitted to wear sweatpants under the dress uniform. Once inside the building the sweat pants are to be removed.

Lockout and Lockdown Procedures

Saint Andrew School works closely with the Upper Darby Township Police Department and follows their procedures for an emergency lockout or lockdown.

In the event a lockout did take place, parents would be notified of the situation when all students and faculty have been permitted by officials to return to regular business.

Electronic Devices

Cell phones are not permitted in school. If a child chooses to use electronics when traveling to and from school, the school is not responsible for anything lost, damaged or stolen. Please fill out the form at the end of this handbook for phone permission (p. 25). If a child carries a phone to and from school, it must be turned off before entering school. Students in the Fr. McShain building must keep their phones in the book bag. Students in the Fr. Hughes building place their phones in a place designated by the teacher. Students must have a parent permission note to bring a phone to school. This note is kept on file in the vice principal's office. If a phone goes off during the day, or is seen out on school grounds, it will be taken by the teacher and will only be returned to a parent when picked up at the vice principal's office. If an occasion arises where a student needs to call home for a ride etc. and the landline is not nearby the student must first ask a teacher for permission before calling home. Consequences for multiple offenses are explained on the permission form. No other electronic devices are allowed in school or on school grounds.

Under contractual law Catholic educators are permitted to read texts, voice mails and photos on cell phones that were confiscated or received from students. The school reserves the right to search any materials brought on school property.

STEWARDSHIP

Home and School Association

Saint Andrew School has an active Home & School Association whose purpose is to bring home and school together in the educational process. Families are strongly encouraged to join the association each September and to actively participate in general membership meetings (3) and other events through the school year. The Association provides assembly programs, a hot lunch program, information for new families, and fund-raising activities. Association funds provide supplemental educational materials for the school. The Association also provides the community with a variety of school and community building activities throughout the year.

Fund Raising

The Home & School Association of Saint Andrew School sponsors various fund-raising opportunities during the school year. Since it is the children who benefit from the results, our fund-raising efforts will be most effective if every family participates in these endeavors according to their means.

Homeroom Coordinators

Homeroom parents work with teachers to coordinate special classroom activities. Permission for class activities MUST be obtained from the teacher. The Home & School Association coordinates the Homeroom Coordinator list.

Volunteers

All parents are encouraged and welcome to be part of the volunteering program at Saint Andrew School. Volunteers give assistance to professional members of our school staff in a variety of ways. To see the list of volunteer opportunities and sign up, go to 'Sign up Genius' on our website. Choose 'About SAS' then 'Home and School Association'. Volunteers are needed for the office work, nurse's office, Science Lab, and to assist in the library, lunchroom and recess yard.

All volunteers must apply for appropriate clearances from the Archdiocese and the state. They can be downloaded from our website.

Service

As the caretakers of all God's creation we are mindful of all that is made available to us and our surroundings. Students are encouraged to find ways to give of themselves for the benefit of others. Different opportunities are made available during the course of the year where students are able to be of service to those in need.

Students are responsible for the care of things given to them and the care of our facilities. All facilities are to be kept clean and orderly. Saint Andrew School students must care for school material in a manner keeping with the spirit of respect, empathy, and responsibility as outlined in our Code of Christian Behavior.

STUDENT SUPPORT SERVICES

Government Aid Program

Through the Commonwealth of Pennsylvania, funds are made available for textbooks (with the exception of religion), some educational materials, and auxiliary services including remedial reading, speech therapy, and counseling services.

Non-Public Instructional Support Team (NP-IST)

NP-IST is a team approach to a problem-solving process that allows educators with special training to work together, in a partnership with parents, to help improve the school performance of their children. The IST team is made up of the school's Principal, Vice Principal, teachers who have gone through the IST training process, consultants from the Delaware County Intermediate Unit who are assigned to give services to our school (IU staff may include a school psychologist, counselor, remedial reading or math teacher and speech therapist) and the teacher and parents of the child being referred. In this way teachers with different expertise can address problems and come up with strategies for the teachers and parents to put into place. Monitoring of the child's progress is done on an ongoing basis and strategies are adjusted accordingly.

Reading Specialist

Sr. Elizabeth Lindsay, S.S.J., M.Ed., works on a daily basis with students who have been identified as needing extra reading support to ensure that essential literacy skills are developed. Reading support and special instruction are provided to students in need in grades 1 through 4.

“Education is the most interesting and difficult adventure in life. Educating – from the Latin “educere” – means leading young people to move beyond themselves and introducing them to reality, towards a fullness that leads to growth. . . .

Where does true education in peace and justice take place? First of all, in the family; since parents are the first educators. The family is the primary cell of society; ‘it is in the family that children learn the human and Christian values which enable them to have a constructive and peaceful coexistence. It is in the family that they learn solidarity between the generations, respect for rules, forgiveness and how to welcome others.’ The family is the first school in which we are trained in justice and peace.” (Pope Benedict XVI)

CURRICULUM

Religion Program

Saint Andrew School uses an Archdiocesan-approved Religion text for all grades. Parents are strongly encouraged to become familiar with these texts and discuss religious topics with their children. This sharing of faith, coupled with the active practice of our faith on the part of the parents, gives your children a living experience of our faith. Your sharing of yourself within the school and parish community brings stewardship to life for your children. If they are to live out the Code of Christian Behavior, your example will teach more than our texts.

Catechesis of the Good Shepherd

Atrium of the Precious Cross of Saint Andrew

“The Catechesis of the Good Shepherd is an approach to religious formation of children. It is rooted in the Bible, the Liturgy of the church, and the educational principles of Maria Montessori. Children gather in an ‘atrium’, a room prepared for them, which contains simple yet beautiful materials they use to help absorb the most essential proclamations of the Christian faith” (CGS, 2013). CGS was founded in Rome by Scripture and Hebrew scholar, Sophia Cavaletti and Montessori educator, Gianna Gobi in 1954. This program was incorporated in the United States in 1987. Materials used in the program are based on the Bible, the Roman Catholic Liturgy and sacraments, tradition, and Church teachings. At Saint Andrew School, we bring the children to the Atrium of the CGS to add an “experiential” dimension and to enhance the overall objective of the Religion Program, to introduce them to the treasures of the Catholic Faith and as a means of preparing them to enter into a larger worshiping community.

Physical Education

A trained physical education teacher gives instruction once a week to all students. A written excuse and dates must be provided by a parent, doctor or school nurse for a student to be excused from taking part in the physical education program in the school. The school gym uniform is required. No jewelry may be worn.

Art

Saint Andrew students in grades 5-8 receive Art instruction once a week. Understanding by Design format is used when teaching the curriculum content including design, drawing and art history.

Technology/Computer

Technology instruction is given weekly. Instruction includes, but is not limited to, problem solving, typing, word processing, spreadsheets, database, presentations and telecommunications. Technology projects include themes from across the curriculum as well as real life situations. Teachers and students are encouraged to use technology in all areas of learning. Chromebooks and iPads are available for students in grades PreK-1. Students in grades 2-8 are issued a Chromebook for personal use in school. A separate policy for the 1:1 devices can be found in Appendix B. The Technology Acceptable Use Policy (Appendix C) must be signed by all parents and students at the beginning of each year.

Library

The Monsignor Vincent L. Burns Library is located on the ground floor of the Convent building and there is a Library located in the Fr. Hughes building. These libraries are available to all our students during school hours. Circulation procedures follow a standard guideline. Books are checked out for one week. If a student has books or materials that are overdue, he/she may not borrow additional books/materials until the overdue items are returned. If materials are damaged while in a student's possession, he/she should report this to the librarian who may be able to mend the book. If materials are lost or ruined, the student will assume the replacement cost.

A book fair takes place twice a year. Your support of this fair is very beneficial. We rely on these profits for funding our school library and teacher classroom libraries.

Band/Music Opportunities

Students in grades K-8 have classroom Music instruction once per week. These classes are taught according to the Archdiocesan curriculum and the National standards in music.

Grades 4-8 have the opportunity to join our school band. The band director holds a meeting early September for all parents who may be interested in learning more about the program for their child. Look for this pamphlet to come home with your child.

Piano and violin lessons are available from Mrs. Susan Torrie. To inquire about availability, direct any questions to her attention at storrie@saintandrewschool.com.

Chorus

Saint Andrew School offers students in grades 4 through 8 the opportunity to join a school chorus. Practices are held in Msgr. McGettigan Hall on Mondays from 3:00 P.M. until 4:00 P.M. Students need a permission form completed and signed by a parent/guardian to participate in chorus.

CLASSROOM POLICIES

Homework

Homework is an important aspect of the learning process that supplements and reinforces class work and develops skills. Parents can help the children greatly by arranging a regular/supervised homework/study time. Homework is the student's responsibility and should be completed with emphasis on accuracy and neatness and done in a timely manner. All students are required to write down assignments in an assignment book. Assignments for the week are posted on the website: www.saintandrewschool.com. If a student expects to be absent for more than a day, he/she should contact a classmate for assignments. A parent may request to pick up homework books at the school office or have it given to a classmate or sibling.

The following are suggested range guidelines for written homework and study assignments each night.

Grades 1 and 2: 30 minutes
Grades 5 and 6: 90 minutes

Grades 3 and 4: 60 minutes
Grades 7 and 8: 120 minutes

*In grades K-5 parents should sign the assignment book verifying the work is complete. Tests should be signed weekly or bimonthly in all grades.

Make Up Work/Missing Work

All make-up work for days absent is the responsibility of the student. It is up to him/her to find what material was missed and what must be done as pertains to class assignments and missed homework. The student should refer to the website, other students or the teacher for assignments. If work is not ready for submission the day an absent student returns, the student must check with the teacher to discuss a due date. Missing work submitted three days after the deadline may result in a sixty. When no assignment is submitted, the teacher must submit a grade and the student will receive a zero. Incomplete work is not an option.

Field Trips

Field trips are planned with an educational objective. They are considered to be an extension of the classroom learning experience and appropriate follow up takes place in the classroom. They need to be safely conducted and usually require the assistance of parent volunteers. Every student who partakes in the field trip is expected to obey the Saint Andrew Code of Christian Behavior. The added expenses of these are kept in mind and teachers give a reasonable amount of time for payment. Permission slips are always required. Please make sure they are returned to the classroom teacher at the appropriate time. A blank copy is included in this handbook in case you misplace yours (see pp. 27-28). It must be completely filled out. If a student needs medication it is the teacher and parent's responsibility that it is brought on the trip. Because field trips are considered part of the educational process, students who elect not to participate must attend school.

Please note: Field trips are a privilege, not an expectation. A student may be denied participation if a student fails to meet academic or behavioral requirements and would be required to attend school.

RECORDS

Tests

Tests are sent home periodically, typically every week or two, to be reviewed and signed by a parent. After signing, parents are responsible to see that papers are returned to school where they are kept on file.

Option C

Saint Andrew School uses OptionC, an on-line grading system, to keep you informed of your child's progress in school. Because you are able to access your child's grades any time, day or night, we no longer send paper progress reports home. If you are unable to access, please make the teacher or main office aware, and it will be copied for you.

Terra Nova

Throughout the Archdiocese, students in grades 1-8 take standardized tests annually to measure achievement and indicate their potential. Test results are shared with parents.

Report Cards

Archdiocesan Report Cards are issued three times a year to students in grades K-8. Preschool students will receive a progress report each trimester. The report card grading takes into account: objective tests, projects, class work, homework, teacher anecdotal records and student participation.

Academic Honors

Students in grades 4-8 are eligible for academic honors. Those who achieve a general average of 93, with no grade lower than a 90 and at least a 3 in effort and conduct, receive Academic Honors.

Academic Excellence

Students in grades 4-8 are eligible for academic excellence. Those who achieve a general average of 97, with no grade lower than a 93 and at least a 3 in effort and conduct, receive Academic Excellence. For those in advanced math classes, special consideration is given when the math grade pulls the average below 97. While the math grade still cannot be lower than 93, if a 93 or 94, pulls the average below 97,

then the grade can be backed out so that the average returns above 97.

Conferences

Teacher conferences are scheduled during the first trimester in order to give feedback and correct study skills or behavior needs early on. If a parent desires other conferences they need to send a request to the teacher.

Transfers

Parents of students transferring to/from another school must obtain official transfer and release of school records permission form. Records are not released without parental consent. Records are sent to the student's new school by the main office. Records will be transferred only when all tuition/school fees have been paid.

***In the case of transfer, the student's academic and disciplinary records will be reviewed before acceptance.**

SAFETY PROCEDURES

Busing: Public school districts provide busing for students who live one mile or more from school. Students will be courteous and respectful to the driver and one another and abide by the SAS Code of Christian Behavior. They are to obey safety regulations established by the school districts and the school. These regulations are discussed with students at the beginning of each year. At bus stops, students need to wait safely. Any student who causes serious discipline problems or cannot change a behavior may lose his/her riding privileges and may be referred to the Discipline Review Board.

If a student changes his/her mode of transportation on a given day, a note must be given to the homeroom teacher (and bus driver if the bus is affected). Transportation on buses may be restricted by the school district. Insurance regulations forbid the transportation of friends/guests on buses.

Car: The speed limit on the surrounding streets is 15 MPH. Parents transporting students to/from school any time should use only the areas designated for discharging students. Students should only be discharged from the right hand side of the car to ensure safety. Drivers must yield to crossing guards. If a parent is waiting with a child in the yard, please park your car. If a child is dismissed in a car line, parents must meet the child. Teachers will not allow these children to go to a car unescorted. Drivers are asked to be mindful of handicap spots and no-park areas. Please be courteous to the parking needs of homeowners on the surrounding streets.

***During the first week of school Parents/Guardians please have photo ID ready to show the teachers on car line duty at pick up.**

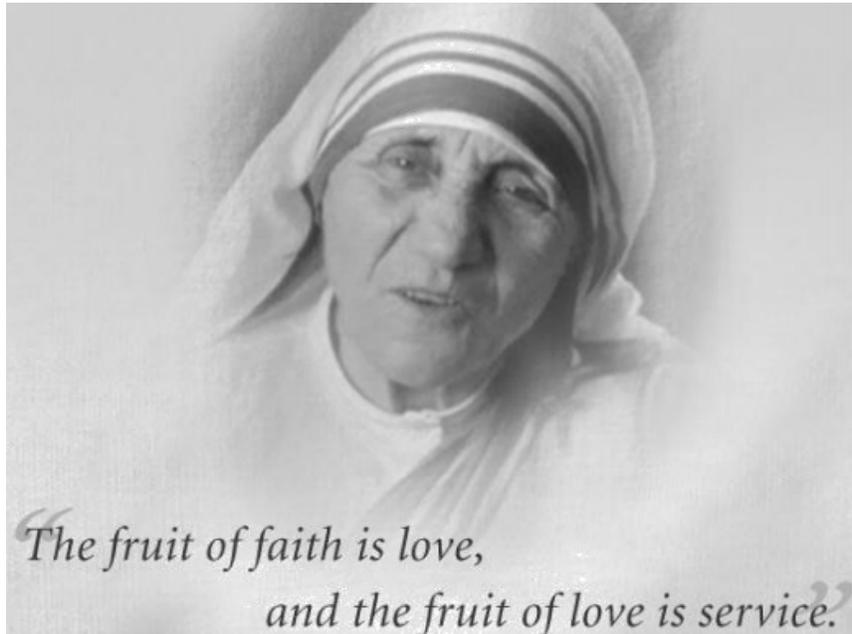

***During school hours we ask drivers to limit Mason and Foss Avenue to the following one way driving rules.**

Mason Avenue will run one way from Huey Avenue towards Highland Avenue. Foss Avenue will run one way from Highland Avenue towards Huey Avenue. When dropping your child at the Fr. McShain building entrance please pull up and over so that multiple families can drop off their children at one time.

Students entering the Fr. Hughes building will enter through the schoolyard doors. This door is open for students from 7:50 A.M. until 8:00 A.M. Bus riders arriving before this time will be supervised and gain access through this door by the teacher on duty.

Students in the Fr. Hughes building arriving after 8:00 will need to go to the School Lane door at Foss Avenue and ring the bell. Once the child has been identified, the door will be opened via remote from the main office. Any students requiring supervision before 7:50 must report to C.A.R.E.S.

Bike Riders: Bike riding is restricted to grades 5-8. If riding to school a student must wear a helmet. Each student is responsible for locking his/her bicycle daily as the school will not accept responsibility for stolen bicycles. Helmets must be kept in their school bag. Bikes must be walked while on school property.

MEMORANDUM OF UNDERSTANDING

Every Catholic school student has a right to be treated as a child of God, with the love and respect that implies, regardless of family circumstances. In like manner, the believing community has the right to an education guided by Catholic teaching and identity, unimpeded by pressures contrary to Church teaching.

As parent/guardian of a student in a Catholic school, I understand, affirm, and support the following:

1. Attending a Catholic school is a privilege, not a right.
2. The primary purpose of a Catholic school education is two-fold: to strengthen the Catholic community in its faith, and to form students in the teachings of Jesus Christ and the Catholic Church.
3. Catholic schools are distinctive religious education institutions guided by the teachings of the Catholic Church. They are not simply private schools offering a positive moral code. Rather, they exist to advance the faith mission of the sponsoring Catholic parish(es), Archdiocese, or Catholic religious community.
4. While Catholic education places a high value on academic excellence and extracurricular achievement, its fundamental priority is fidelity to Catholic teaching and identity.
5. The school and its administration have the responsibility to ensure that Catholic teaching and moral integrity permeate every facet of the school's life and activity and that the school is able to function as a community of faith.
6. In all questions that involve Catholic teaching, morals, and Church law, the final determination rests with the Archbishop.

As a parent/guardian desiring to enroll my child in a Catholic school, I accept this Memorandum of Understanding. I pledge support for the Catholic identity and mission of this school and by enrolling my child I commit myself to uphold all principles and policies that govern the Catholic faith.

Saint Andrew School: Phone Permission

I request permission for my child, _____, grade _____ to carry a phone to school. My child and I understand that the phone must be turned **OFF**, not silenced, before entering school and may not ever be used during school hours or on school grounds without permission from a teacher. Students in the Fr. McShain building must keep their phones in the book bag. Students in the Fr. Hughes building must place their phone in a place designated by the homeroom teacher. My child has signed the Acceptable Use Policy and submitted it to the school.

If the phone goes off during school it will be taken from my child and a parent only may claim the phone at the Vice Principal's office. If a second offense occurs the phone will remain in the office for a minimum of 24 hours. A third offense may result in a personal plan of action.

If a student is caught using the phone during the day further disciplinary action will apply. All other Acceptable Use Policies for technology also pertain to the phone. If a phone is present in school without this permission the phone will be held by the Principal or Vice Principal until the parent and child present the proper paperwork to the office.

Saint Andrew School Standard Plagiarism/Forgery Policy (Grades 5-8)

Plagiarism – copying another person’s writings and presenting them as your own.

Forgery – to imitate falsely; defraud

Saint Andrew Students maintain integrity by submitting their own writing and work. The same is expected when presenting parent signatures on homework/tests/assignments and documents.

A writer avoids plagiarism by paraphrasing the work of others that they have read. Appropriate references must be submitted for all paraphrased and quoted work. When paraphrasing, the writer must look away from material he’s/she’s read and ask, “What have I learned?” You may not only change a few words. All writing needs to be in your own words.

Our goal is to prepare our students in the middle school years to become researchers and writers of integrity. Their effort and work will result in great accomplishments.

If it is determined that a student’s work has been plagiarized, consequences will be faced.

- Work handed in plagiarized may result in a zero.
- Any plagiarized assignment must be resubmitted, within the time frame given, properly adhering to the rubric protocol and citing.
- Detentions will be automatically served.
- More than one offense of plagiarism may result in suspension.

Parents/Guardians and students: please sign, date and return the bottom portion of this form by September 15th to your homeroom teacher.

We have read and understand the expectations of Saint Andrew School in reference to plagiarism and research in any subject area as well as forgery. We agree to sustain from submitting plagiarized work or forgery and understand the consequences.

Saint Andrew School
Code of Conduct System
Grades 5-8

Dear Parents and Students,

Self-discipline is essential for the achievement of a quality Catholic education for each student. Discipline from within the student that builds self-confidence and pride is the intended outcome of the school-wide conduct at Saint Andrew School.

Teachers, through Option C, will leave feedback on your child's behavior, as well as their acceptance of student responsibilities in school.

We rely on your support as we assist your child with social growth and development. Please be sure to review your child's conduct information on Option C. This verifies that you have read the notice and are aware of infractions or commendations.

It may be that there are no comments noted. Please take that as a positive sign that all is as it should be with your child. Commendations/comments on Option C are dealt with, by the classroom teacher, according to the classroom management policy with students.

Please note the following points regarding the Self-Discipline Code of Conduct Policy:

1. Effort and Conduct grades are based on the Self-Discipline Code Conduct System.
2. Explanation of school consequences for conduct marks is stated in the Self-Discipline Code of Conduct System.
3. Conduct marks are recorded by the teacher in Option C.
4. Three Conduct infractions of any kind will result in a detention. Five Incomplete/Missing Homework Assignments will result in a detention.
5. Parents are asked to review Option C for student conduct, especially when notified by the school.
6. Ongoing conduct infractions will be assessed by Administrators and the Discipline Review Committee. (See page 7 in the student handbook.)

In the event a child is unable to correct their behavior and accumulates multiple detentions and/or suspensions in a trimester they may be referred to the Administration and Discipline Review Board. The Administration and Discipline Review Board will look over the conduct issues and offer solutions.

The Fr. Hughes Building faculty has arranged a schedule to monitor detentions. Detentions in the upper school classrooms are as follows:

- Tuesday mornings - 7:20 AM - 8:00 AM / Friday afternoons - 2:50 PM - 3:30 PM
- Lunchtime detentions will be for Incomplete/Missing Homework Only

It is understood that for many parents detention may cause a dilemma in providing transportation to and from school. However, we feel strongly that this consequence must be enforced in order to protect the

orderly learning environment. We are grateful to our teachers who are freely giving of their time to monitor detentions. It is our hope that the students will adjust behaviors before consequences occur.

Please read and review the Code of Conduct Policy for self-discipline with your child/children to understand the policy and consequences for conduct infractions.

**COMMONWEALTH OF PENNSYLVANIA TRUANCY LAW, 24 P.S. §§ 13-1326 – 13-1354:
COMPULSORY SCHOOL ATTENDANCE, UNLAWFUL ABSENCES, AND SCHOOL
ATTENDANCE IMPROVEMENT CONFERENCES**

Saint Andrew School has updated our Attendance Policy to align with the changes of the Commonwealth of Pennsylvania Truancy Law, **24 P.S. §§ 13-1326 – 13-1354: Compulsory School Attendance, Unlawful Absences, and School Attendance Improvement Conferences**.

Unlawful Absences

Unlawful absence shall be defined as a student of compulsory school age, or an enrolled student of an earlier age, who is absent without a valid excuse.

A note should be handed in upon return of the student to school, or reported via email to the school. The note should be no later than three (3) days after the student absence, or it will be considered an unlawful absence.

Enforcement of Compulsory Attendance Requirements

Student is Truant -

When a student has been absent for three (3) days during the current school year without a lawful excuse, school staff shall provide notice.

The notice may include the offer of a School Attendance Improvement Conference after the third unlawful absence.

School Attendance Improvement Conference -

The School shall notify the student's parent/guardian in writing and by telephone of the date and time of the School Attendance Improvement Conference.

The purpose of the School Attendance Improvement Conference is to examine the student's absences and reasons for the absences in an effort to improve attendance with or without additional services.

Neither the student nor the person in parental relation shall be required to participate, and the School Attendance Improvement Conference shall occur even if the person in parental relation declines to participate or fails to attend the scheduled conference.

The School may not take further legal action to address unexcused absences until after the date of the scheduled School Attendance Improvement Conference has passed.

Habitually truant shall be defined as absent for more than three (3) school days or their equivalent following the first notice of truancy given after a student's unlawful absence for three (3) school days. When a student under fifteen (15) years of age is habitually truant, school staff:

1. Shall refer the student to:
 - a. A school-based or community-based attendance improvement program; or
 - b. The local children and youth agency.
2. May file a citation in the office of the appropriate judge against the person in parental relation who resides in the same household as the student.

Authority

Attendance shall be required of all students enrolled in schools during the days and hours that school is in

session, except that a principal or teacher may excuse a student for temporary absences upon receipt of satisfactory evidence of mental, physical, or other urgent reasons that may reasonably cause the student's absence.

Absences shall be treated as unlawful until the school receives a written excuse explaining the absence, to be submitted within three (3) days of the absence.

A maximum of ten (10) days of cumulative lawful absences verified by parental notification shall be permitted during a school year. Excusal beyond ten (10) cumulative lawful absences shall require submission by the parent/guardian an excuse from a licensed physician.

Students who miss ten (10) consecutive school days shall be dropped from the active enrollment unless the school is provided with evidence the excuse is legal or the school is pursuing compulsory attendance prosecution.

ATTENDANCE POLICY ADDENDUM

PA Law 24 P.S. §§ 13-1326 – 1354 (overseeing Compulsory School Attendance, Unlawful Absences, and School Attendance Improvement Conferences) and Saint Andrew School attendance policies are still in full effect. In order to adapt to the current situations and still provide a quality Catholic education for our students, the following policy changes are implemented:

1. Virtual instruction status will be available for the students who are: out sick, quarantined, medically excused, serving Out of School Suspension, serving In School Suspension, or other situations deemed valid by school administration.
2. Students who are Virtual Learning for the day will have attendance marked present with the Virtual Instruction Status in Option C.
3. The school needs to be notified of the use of a Virtual Instruction Day from the parent before 8:00 AM. Students will be marked absent if this is not followed.
4. A valid Doctor's note is needed for medical excusal, return from quarantine and absences of three (3) or more consecutive days.

The mission of the 1:1 Chromebook initiative in Saint Andrew School is to help propel our personalized learning initiatives and establish the foundation for a seamless program that supports individualized instruction in our classrooms. It supports anytime access to online resources for learning, by providing portable devices for all students in grades 2-8. This ensures that students can access what they need from wherever they are.

The focus of the Chromebook program at Saint Andrew School is to provide tools and resources for the 21st Century learner. Excellence in education requires that technology is integrated seamlessly throughout the educational curricula. Increasing access to technology is essential in building high school/college and career readiness skills. The individual use of Chromebooks is a way to empower students to maximize their full potential and to prepare them for high-school/college and the workplace.

Learning is a result of the continuous dynamic interaction among students, educators, parents and the extended community. Technology immersion does not diminish the vital role of the teacher. To the contrary, it transforms the teacher from a director of learning to a facilitator of learning. Effective teaching and learning with Chromebooks integrates technology into the curriculum anytime and anywhere.

The policies, procedures, and information within this document apply to all Chromebooks used in Saint Andrew School considered by the Administration to come under this policy.

*Teachers/schools may set additional requirements for use in their classroom.

Failure to return the Chromebook, charger and any peripheral device or accessory could result in theft charges being filed against the student and/or parent/guardian.

- ix. Take care to protect your password. Do not share your password.
- x. Lock your screen when you leave your Chromebook unattended for ANY amount of time.

Students are responsible for bringing their Chromebook to all classes, unless instructed otherwise.

4. MANAGING YOUR FILES & SAVING YOUR WORK

a. Saving to your Chromebook

- i. Students will save work to their Google accounts via the Chromebook.

RESPONSIBLE USE POLICY FOR TECHNOLOGY

Catholic Schools of the Archdiocese of Philadelphia

Revised August 2022

The heart of our curriculum is timeless ~ love, truth, beauty, mercy. We teach about creation as well as the Creator. We educate on being in solidarity with those who suffer and how to cultivate a prayerful life.

In his message for the 48th World Communications Day, Pope Francis said that technology is a “gift from God.” The Pope challenged the Church to use this tool to promote the faith, asking how communication can “be at the service of an authentic culture of encounter?” Because of these things we are committed to participating in society. And to be committed to such participation requires using technology in appropriate ways.

We are interested in technology because of our faith.

We expect our students to utilize technology to think more critically, to communicate effectively, to express their creativity, and to conduct research. Our teachers have access to updated technology in their classrooms to engage our students and challenge them to learn in ways not previously imaginable. We empower students with the technical skills necessary to participate in a culture that is increasingly dependent upon technology, while also challenging them to be digital ambassadors spreading the Good News.

But it is our faith that guides how we use technology.

We teach our students about the ethics of technology and train them to be savvy about things like Internet privacy and safety. We teach the unfortunate reality of technology addiction. We remind students and parents that technology is aggressively marketed and to be careful about getting caught up in the hype.

We also acknowledge that we sometimes need to “unplug” from technology as it can cause us to become isolated from one another. We encourage family meals without screen time and the importance of communicating face to face.

We greatly value technology in our schools. And what makes technology most powerful, is when it serves to make our students better people!

RESPONSIBLE USE POLICY FOR TECHNOLOGY

Catholic Schools of the Archdiocese of Philadelphia

PURPOSE

Technology is a valuable and real-world educational tool. **All Archdiocese of Philadelphia schools will educate all students about appropriate online behavior, including: interacting with other individuals on social networking websites and in chat rooms, cyber bullying awareness and response to ensure an appropriate use of technology, including video conferencing platforms.** The policy outlined below applies to all technology use including but not limited to Internet use. The Responsible Use Policy for Technology (RUP) applies to all students, faculty, administrators, staff, volunteers or community members allowed access to school technology resources. In some cases, outside or personal uses of technology may be applicable under this policy.

SCOPE OF USE

We recognize that the digital world allows anytime, anywhere access. Uses mentioned in this policy apply to **inside** school use and may in certain instances apply to personal technology use and/or uses **outside of school**. Where personal and/or non-educational use of technology creates substantial disruption in school, including but not limited to harming or interfering with the rights of other students or teachers to participate fully in school or extracurricular activities, these activities may be viewed as a violation of the Responsible Use Policy and may be subject to the disciplinary measure found herein.

N.B. The types of electronic and digital communications referenced in this RUP include, but are not limited to, social networking sites, cell phones, mobile computers and devices, digital cameras, video conferencing platforms, text messaging, email, voice over IP, chat rooms, instant messaging, cloud, and web-based tools.

GOALS

The school's goal is to prepare its members for a responsible life in a digital global community. To this end, the school will:

- Integrate technology with curriculum to enhance teaching and learning.
- Encourage critical thinking, communication, collaboration, creativity, and problem-solving skills.
- Facilitate evaluation and synthesis of information.
- Encourage ethical practices and provide education for Internet

safety, digital citizenship and the creation of a positive digital identity.

- Provide a variety of technology-based tools and related technology skill

RESPONSIBILITIES OF USER

Our schools will make every effort to provide a safe environment for learning with technology including Internet filtering and safeguards. The students, faculty, administrators, staff, and school community are granted the privilege of using the computer hardware and software peripherals, and electronic communication tools including the Internet. With this privilege comes the responsibility for appropriate use.

In the Archdiocese of Philadelphia (AoP), we use information and technology in safe, legal, and responsible ways. We embrace the following conditions or facets of being a digital citizen.

- **Respect One's Self:** Responsible users will select online names that are appropriate and will consider the information and images that are posted online.
- **Respect Others:** Responsible users will refrain from using technologies to bully, tease or harass other people.
- **Protect One's Self and Others:** Responsible users will protect themselves and others by reporting abuse and not forwarding inappropriate materials or communications. Users will protect their usernames and passwords by not sharing with others.
- **Respect Intellectual Property:** Responsible users will suitably cite any and all use of websites, books, images, media, or other sources relied upon or used in work created.
- **Protect Intellectual Property:** Responsible users will request permission to use the software and media others produce and abide by license agreements for all software and resources.

Under no circumstances is an AoP user authorized to engage in any activity that is illegal under local, state, federal or international law while utilizing AoP-owned resources, computers or networks.

Saint Andrew School Smoking/Vaping, Drugs & Paraphernalia Policy

Saint Andrew School cannot and will not condone smoking or vaping within the school building, on school grounds or within the drug free school zone, approximately a one-block radius of the school buildings. Cigarette smoking is also against the law for anyone seventeen years old and younger. Therefore, cigarette smoking or possession of cigarettes or any other tobacco products will be considered a disciplinary offense. Smoking is defined as “possession” of any tobacco related product (lit/unlit cigarette(s), chewing tobacco, vaporizers, e-cigarettes, etc.) The administration has the right to confiscate vaping paraphernalia and report said materials to the police if further investigation is required. These confiscated materials will not be returned. This is not an exhaustive list of related products and building administrators have the authority to determine what qualifies as a banned smoking product. Possession of any smoking paraphernalia will be confiscated by the building administration with no return. (The School Tobacco Act legislates a fine of \$50 for students found to be in possession of cigarettes or any other tobacco product while on school property.)

Drugs, Alcohol, Inhalants

As mandated in the Pennsylvania Drug Free Schools and Community Act 211: Any of the following offenses may be subject to expulsion and referral for prosecution. Compliance with the following rules and regulations is mandatory.

The use, possession or distribution of any drug or alcohol substance is prohibited: During school hours, on school property, on school buses, at any school sponsored event or activity.

For the purpose of this handbook, “drugs” shall mean:

All alcoholic beverages, All dangerous controlled substances prohibited by law, All drug paraphernalia, Any prescription or patent drugs except for those which permission to use in school has been granted or prescribed by a registered physician for that individual’s use, All look-alike drugs; substances manufactured or designed to resemble drugs, mood altering substances, narcotics or other health endangering compounds, Patent drugs are commonly called over-the-counter drugs i.e., no doze, vivarin, etc.

Inhalants are not drugs. They are poisons and toxins found in many common household products. These products have a useful purpose, but can be misused. Inhalant use refers to the intentional breathing of gas or vapors with the purpose of reaching a high. The administration prohibits the use of any product or substance as an inhalant. The administration realizes that the misuse of inhalants is a serious problem. Therefore, Saint Andrew School shall take every legal means to eliminate the use of inhalants within the school.

Consequences

Any students in possession of, or in use of any of the above named Smoking, Vaping, Drugs, Alcohol, Inhalants and/or Paraphernalia in the school buildings, on school grounds or within the drug free school zone, approximately a one-block radius of the school building will be sent home on suspension, pending a Discipline Review Committee meeting. Police may be called at the discretion of the administration.
