Gospel Reading

[Luke 17:5-10](#)

Jesus teaches the apostles the importance of faith and service to God.

Family Connection

There is much in today's Gospel that resonates in family life. In our daily attempts as parents to live up to the confidence and trust that our children place in us, we come to know the wonders that God can do with just a little faith. In family life we also learn about obligations that are their own rewards. The daily tasks that family members do for one another and for the household are simply the manifestations of our responsibilities to one another.

Take a turn with each member of the family and identify some of the little things that each family member does that make a big difference in your family life.

Read today's Gospel, Luke 17:5-10. Talk about how each person is called upon by God to believe that God can work miracles in our lives, that God can use us to make a difference in our world.

Together as a family, pray Saint Ignatius of Loyola's Prayer of Generosity. Ask that God will work through your family to make a difference in the lives of those around you.
