# CLASS NEWS

## EIGHTH GRADE SCIENCE

Eighth Grade is at it again! This time we are measuring the distance that a marshmallow travels after being launched from catapults set at different angles. We learned that projectile motion is a special case of two- dimensional motion.

## HELLENIC HISTORY TOURNAMENT BAKE SALE

The students in Eighth Grade raised over \$800 for the International Greek History Tournament being held at Disney in July. Great job and good luck, Rebels! Thank you for all of your support!

### FALL REGISTRATION - 2022/2023 School Year

Below is a link to register for Fall Sports, please do so ASAP. Registration as of now will close on Friday, June 3!

**CHEER** - This is a Winter Sport but the coaches like to get a head start on figuring out their teams. We really hope Cheer can come back and compete competitively! It's been a rough few years for them as far as the league reinstating a competition season!

**SOCCER** - Again, as I mentioned, we are not in a league right now. If we get enough to sign up and we get some parents to coach I will work my hardest over the summer to get us in so the kids can play!

**CROSS COUNTRY** - As of now full season Grades 3 thru 8!

---

**COACHES:** Please also fill out if you are volunteering to coach. Do not email me directly, using this form makes it a lot easier to Track. Remember to look at the website for credentials, even if you don't have a kid on the team but have a love for the sport any and all help is welcomed!

**FEES/FORMS:** Hoping to go back to collecting fees and forms online, going forward. BE on the lookout during the summer to finalize your child's registration and if there are going to be any need of tryouts.
