CLEANING OUT YOUR CLOSETS FOR SPRING?

The Explorers Club is collecting pre-loved casual and dressy TEEN clothing and accessories in desirable brands for GIRLS AGES 12-18!

Please place all clothing donations in the bins outside the Main Office March 11 - March 29.

Let's give girls a chance to create new looks that will build self confidence and help them tackle the day with a "fit" all their own. New or gently used clothing gladly accepted.

All donations will go to Lauren's Closet, part of not-for-profit organization Lauren's Light, who will distribute clothing to teenaged girls in need.
