

Dear Rising Fifth Grade Families and Students:

We are looking forward to meeting you and learning with you in September! In the meantime, please enjoy your much deserved summer vacation, while also completing some assignments to get ready for our year together in Fifth Grade!

The attached math and reading assignments are to be completed over the summer months. These activities will help your child review and maintain skills learned in fourth grade, as well as help prepare your child for the expectations of fifth grade.

These assignments are mandatory and must be submitted on the First Day of School.

Wishing you a summer of abundant blessings,

Mrs. Gross and Mrs. Ginetto
