Please pray most especially today for all of our 2nd Graders who will receive the Sacrament of 1st Holy Communion at Most Blessed Sacrament and Our Lady of Good Counsel. May they encounter the Lord Jesus this day in their reception of the Eucharist

This Sunday we hear in our Gospel account of Jesus teaching to the Pharisees the Parable of the Good Shepherd. During the time of Jesus' earthly ministry the people and culture in that part of the world would have been very familiar with the analogy of the sheep and the shepherd, as many of them were farmers and owned sheep themselves. We hear through this account of the great need to follow the words and teachings of Christ Himself, and not those of false "shepherds" and others who can seek to lead us astray. This is especially important in our world today where there are so many different people and things that clamor for our attention. Like the Pharisees and those in authority whom Jesus is admonishing in today's Gospel, it can be sometimes easy for us to choose the easier route or listen to those false teachings which tell us to live in comfort and not give back to our community or go out of our way to help those less fortunate than us. We believe as Catholics, that it is only through a relationship and encounter with the person of Jesus Christ and true belief in the teachings of His Church, that we will enter into the heavenly kingdom at the end of days. We must not hear the words of the Lord and then choose to only do what we like or what is easy, we must strive to follow and obey all of the teachings we hear in Sacred Scripture and in the Magisterium (teaching authority) of the Church handed down from the time of the Apostles. We trust in a loving God who "came that they might have life, and have it more abundantly." Let us put our trust in the Lord more fully this week, and through that trust, come into a closer and more loving relationship with Him who died and rose again. Please pray for all of our 1st Communicants who receive the Lord Jesus present in the Eucharist today, that the body of Christ will transform their very lives. May God bless you this week!
