TWENTY-SEVENTH SUNDAY IN ORDINARY TIME

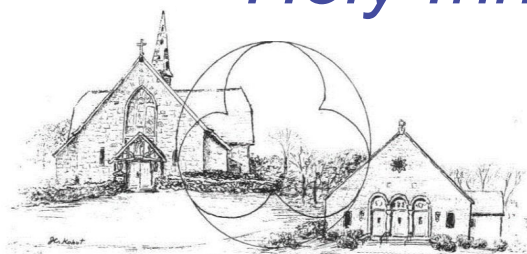

"For this reason a man shall leave his father and mother and be joined to his wife, and the two shall become one flesh. So they are no longer two but one flesh. Therefore what God has joined together, no human being must separate." - Mk 10:7-9

Note from the Pastor,

Fall is here, and religious education classes are off to a great start. We have very dedicated enthusiastic volunteers teaching our youth. Our new Sunday night program for Confirmation is also off to a good start with our new 5pm mass! It is my hope that we can build up the mass over the course of the year. It is not just for confirmation students, all our welcome. It is my hope that we can put together a music ministry made up of mostly high schoolers. I am looking for a keyboard/ piano player, guitar, violin, cello, flute or similar instruments as well as vocalists for a choir. If you know anyone with these abilities, please encourage them to get in contact with me so that we can move forward. I could also use an adult volunteer who has experience with music and would be willing to help coordinate the music ministry for the 5pm mass.

On another note, our year end financial report is done and I am pleased to say we are in the black (other than prior loans of 208k).

There are several factors that have enabled us to go from being behind on our bills to being current. First there was the restructuring of the loan. In the past, money was borrowed to cover operating expenses. That loan payment was \$4,000 dollars a month, about \$1000 per week. By extending the term of the loan we were able to bring it down to a more affordable \$1500 a month.

Secondly, we have cut staff down considerably, from very small, to nearly no staff. With the help of volunteers and lot of very long days, we are getting most of the work done.

Thirdly, our monthly utilities and maintenance collection as well as the Grand Annual Collections have also made a huge difference in getting our bills paid and moving forward with necessary repairs and work. I am very grateful to all those who have been so generous with their parish.

I am very hopeful about our disciples in mission initiative. There are many families in our religious education program who I am hoping we can evangelize and bring into the church as parishioners. If you know someone who is Catholic, and away from the church, I encourage you to invite them to be part of the faith community. We all need God who gives meaning and purpose in our lives, and shows us the path that leads to eternal life. Blessings—Fr. Martin
