## FROM THE UNITING IN HEART TEAM...

If each of us is to evangelize the world, our desire must come from opening our hearts to the Holy Spirit and sharing the unconditional love of our God with another. Sharing the Gospel with others is possible when we unconditionally love the people we encounter within our corner of the world. Pope Paul VI reminds us that searching is, "sometimes with anguish, sometimes with hope," to receive the Good News.

In our last update, we spoke of the hope to bring the Good News to those dearest to us, our families, so that they might live in unity with the Church where they can encounter the word of salvation. We know that there are many in our families whom we should evangelize. There are also many who, while not in our families, are in "our world" around us whom we cannot ignore.

As we journey through the Uniting in Heart 2030 Pastoral Plan, God will open doors to us as we prayerfully focus on our call to discipleship and evangelization. Through the Holy Spirit we will be called to follow pathways that lead to our sharing of love and hope with others so that we may be instruments of unity. When we pray the Uniting in Heart prayer, we are asking God to "Show us the way to pass on His gifts to future generations". May our evangelization be fruitful so that in the years ahead we are blessed with growing faith communities, the richness of faith-filled families, and an increase in vocations to the priesthood, the diaconate, religious and married life.
