## Venerable Samuel Charles Mazzuchelli

O.P. was one of the first Catholic missionary priests in the Midwest.

Mazzuchelli's work establishing relationships with native people and settlers, as well as his efforts to build the growing Catholic communities in the US, blazed a path for his peers.

Born Carlo Gaetano Samuel Mazzuchelli on November 4, 1806, in Milan, Italy, he was the 16th of 17 children in his family! When he was 17 years old, he joined the Dominicans and changed his name to Friar Samuel.

Answering a recruitment call by his order to serve the new Diocese of Cincinnati in America, he was ordained a priest by Bishop Edward Fenwick, the first Bishop of Cincinnati, in 1830. After spending his first five years as a priest at St. Anne Church on Mackinac Island, Michigan, he was assigned as a missionary priest for all of the Northwest Territory.

Fr. Mazzuchelli spent the rest of his years traveling on horseback, in canoes, and on foot. He encountered settlers, miners, and farmers, as well as native tribes, politicians, and other Christian denominations. He designed and built over 24 churches and started the Dominican Sisters of Sinsinawa. Those that knew him described him as a sensitive, warm man full of mercy, truth and virtue.

On July 6, 1993, Pope John Paul II allowed Fr. Mazzuchelli's cause for sainthood. His path toward beatification and canonization continues.

## A NOTE FROM BISHOP DOHERTY

Dear Priests, Religious, and Laity,

Praised be Jesus Christ, now and forever!

I am grateful for the ongoing prayers you and your faithful communities provided as priests gathered at the St. Joseph Retreat & Conference Center on January 17-19. The men showed up and stayed for long days. Your prayers were felt.

We began our time together on the evening of January 17 with Vespers and dinner, providing us an opportunity for fellowship. Father Ted Dudzinski and I then gave introductory remarks and spiritual reflection. We both acknowledged the need for healing, and invoked the power of the Holy Spirit to guide our days; we moved right into a Holy Hour and concluded with Night Prayer.

The second day focused on listening to priests speak about their respective pastorates—what is going well, and where there are opportunities for improvement, with time for questions and clarifications. Day three was focused on collecting input from the priests to help us navigate a way forward.

Our current reality includes: fewer priests available, an imbalance of workload expectations and adjusting our diocesan level three-year plan. The “what” is not the only the question, but “how” we proceed must also be worked through.

All of our days together included quality time in prayer, the celebration of Mass, adoration of the Blessed Sacrament and serious dialogue about our recent experiences.

As I've mentioned before, there is no formula or set problem-solving structure to our current challenges. There are no easy answers.

However, our discussions over the course of these three days certainly put us on a path forward. I am grateful and appreciative of the priests for their presence and commitment to the mission of Jesus Christ. I am thankful for the hard work and continued prayers of so many to make this assembly possible. Additional meetings among the priests will take place in February as our discernment process continues. I humbly ask that you please continue to hold all of this in prayer, as we seek healing and for guidance from the Holy Spirit on our path forward.
