GOSPEL MEDITATION

A favorite motto of St. Teresa of Calcutta was, "do small things with great love." This is how it works in the kingdom of God. God can do tremendous things with the smallest gesture, especially when it is done in love. We can clearly see that our world is suffering greatly. People are struggling to find peace, navigate through conflicts, earn a sustainable living, find security and enough food to eat, and work through political tensions and conflicts. In the light of the magnitude of the difficulties that exist around us and even within us, we can find ourselves floundering to discover practical, effective solutions. How can something so large be helped by someone as small and seemingly insignificant as me? While whole systems and structures may be out of the league of our personal influence, are we really that helpless in the midst of all of the turmoil, sadness, and suffering?

If we believe that God is with us and that God is still working to bring about the glory of God's kingdom, then the answer is no. We are never helpless or without hope. Armed with a strong life of prayer, we can always flee to God and ask for inspiration, wisdom, and especially love. We are all blessed with unique gifts and talents and it often seems that considering all that the world lacks, love and charity remain at the top of the list. Life can easily become a battleground of hostility. Because life is challenging and difficult, anger is not far away. We see it on people's faces and hear it in their voices. There is a measure of frustration that permeates all avenues of life. It is even felt in the air.

As people of faith, we know that what we see here is not the end but only a part of something far greater to come. We know that God's kingdom is where we are ultimately meant to be, and the Gospel is the way to get there. If love and charity can prevail in us, then God will be able to do what God does best. God will use us to scatter the seeds of his kingdom. Through our small gestures, those seeds can receive the nurturing attention that is necessary for them to bear great fruit. We cannot fall victim to the strife that is around us. We have to keep ourselves refreshed and focused so that even in small ways, we can become part of the solution, not the problem. Love and charity, which come from God, can help to heal the ills of the world. May we bring these simple gifts to the everyday simple tasks of our lives! Watch how big the plant grows!

The Stories of Jesus:

We all know that Jesus was a master storyteller and that he used stories and parables to bring out to his listeners the message of the kingdom of God. Jesus addressed folks from all walks of life such as merchants, fishermen, bakers, and farmers. Today's readings indicate hope and the potential that all things are possible with deep faith and trust in God. We are reminded in the gospel that the smallest seed has the ability to grow and

to become a huge scrub for the birds to have a home. In our lives our faith, like a small seed, has the potential to grow and to blossom with remarkable results. In allowing this to happen in our lives we too proclaim the message of Jesus and allow His Kingdom to come. Let us be open to the healing of Jesus who wants us to have a faith which is alive and vibrant so that we too may better serve him.

Have a good week! Fr. Terry

Faith Sharing Question

Gospel:

Mark tells us that Jesus often spoke in parables to the crowds about the kingdom of God. Today's parables speak to the often unseen and subtle growth of the kingdom of God in our midst. How might you better observe the kingdom of God at work in your life?

Why Do We Do That?

Question: Where does the money go that is collected each week at Church?

Answer:

This is a good question! Every parish has financial obligations, including the basic operation of the buildings, salaries, maintenance, and improvements. In addition, there are schools to support, programs to run, charities to be funded, and operational expenses like hosts and wine for Mass, music books, vestments, and so on. In some cases, cemeteries and other buildings need attention. Finally, there is the diocesan assessment that each parish pays to help run the diocese and the support services provided to each parish.

Most parishes manage to get by with the collection, a few fundraisers and endowments. But contrary to popular opinion, cash flow is also a problem, and many parishes operate in the red. The Finance Committee is responsible for assisting the pastor in fiscal management, and good stewardship is the basis for successful programs.

Parish Family Canoe Trip

Come canoe with us on the Blue River! We are planning a half day 2-4 hour Canoe Trip followed by a cookout on Sunday, July 11th at Cave Country Canoes in Milltown, Indiana. We will leave at 12:00 noon from IC church parking lot and should return by 8:30pm. Due to current COVID regulations, each family is recommended to drive separately. Cost is \$15 per person for canoe and \$22 for kayak which includes kayak/canoe rental and cookout. If river conditions and water levels allow, 1 child under 12 years old may ride in the middle of canoe free. Please contact Nicole at the church office, Jill or Fr. Terry to sign up. We ask that everyone signup so appropriate forms, waivers and trip info can be sent to you. Please signup in the back or church or by contact before July 4th

In Sympathy

We extend our sympathy and prayers to the family of Ruth Madden. We also remember in prayer Gerald Davis and family for the loss of his father recently. May the Lord embrace them in His eternal Love.
