

ST. MARY  
OF THE  
IMMACULATE CONCEPTION

*an investment worth making*

2 ways to  
Support  
our Students

# 1. STUDENT GRANT ORGANIZATION (SGO)

**Donors receive a state tax credit of 50% of their donation amount!**

This program was established to eliminate the financial hurdle of low-income households to enroll students into a private school. For families to be able to apply for a school voucher, a student must first attend public school for one year *or* receive funding through an SGO. You donating to an SGO allows financially qualified students to directly enter into St. Marys. Recipients of the SGO become eligible for a tuition voucher each year they are enrolled at St. Marys.

**INSTITUTE**

FOR QUALITY EDUCATION

In turn, Indiana donors receive a state tax credit equal to 50% of their donation and also qualify as a charitable deduction on federal tax returns.

2.

## ST. MARY'S

**Adopt-a-Student** helps students that might not qualify for a voucher, but need aid due to circumstances that can arise during the school year.

- Adopt-a-Student can be used to help any student at St. Mary's.
- All of your donation could be used as a tax deduction on your federal tax return.
- The Adopt-a-Student program could also be used to pay the tuition for a particular student upon request.

*Please consider this as a way to directly support St. Mary's students and their families.*
