

Good Shepherd Catholic Parish

Dear Parishioners,

A few weeks ago, we heard Jesus, the Good Shepherd, tell his disciples “there will be one flock, one shepherd” (Jn 10:16). That one flock results from the gathering of various groups of sheep. This is analogous to our parishes becoming one parish, Good Shepherd Catholic Parish (GSCP). Within that parish, there will still be the distinct and varied churches and communities. I hope that all of us will consider how we might be of service to GSCP and at which church we are most able to offer our service.

Please fill out this postcard and return it to the parish office. You may mail it (PO Box 39, Breda, IA 51436), drop it in the collection basket, drop it through the mail slot at the office (right side of the front door), or give it to me.

Thank you for your service and blessings on all of you,

Fr. Friedrichsen
