From Our Pastor

THE HOLY SPIRIT CONTINUES TO RENEW OUR CHURCH

Just a brief note this week since I will have spent much of the past week at the Fitzmeyer Scripture Institute at Georgetown University acquiring more biblical knowledge to (hopefully) share in the future at our Adult Formation weeks.

But for now, I just want to call your attention to the photos of our *Renew My Church* gathering for Evening Prayer at St. Emeric on the Friday before Pentecost. What was supposed to be a rainy day turned into a lovely, mosquito-free, fairly cool but sunny evening for members of our five parishes to come together to pray and enjoy one another's company. Fr. Edmond and his parishioners hosted a wonderful spread of finger food and sweets after the prayer time, and around 60 people made their way to St. Emeric for this gathering.

As we journey toward 2022 when the hard work of "renewing" the Church in our communities will begin, these moments of fellowship will enable us to feel a greater level of trust and mutual support. In the meantime, please pray that the Spirit will continue to guide us, not necessarily where we **want** to be, but where the Spirit **needs** us to be.

Fr. Bob

GOSPEL READING

John 16:12-15

Whatever the Father has is mine.
The Spirit of truth will guide us.

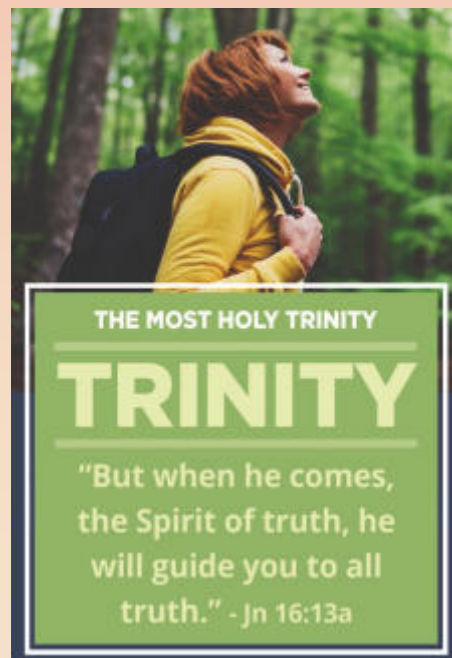

FAMILY CONNECTION

Think of the last time you witnessed an act of selfless love in your family. Parents and caregivers of all kinds are called upon to act selflessly every day. Family life calls us to share selfless love with one another.

God is the model for us of selfless love. There was no need for God to create our planet or the creatures that inhabit it; it was an act of selfless love. There was also no need for God to send his only Son to save us. That too was an act of selfless love.

As we draw closer to God and the mystery of the Trinity, we learn about God's love. God has lavished us with love in the persons of the Son and the Spirit, who in turn nurture in us the desire to do the same. When we open ourselves to be filled with an awareness of the divine life within us, we participate in the endless spiral of love that leads to eternal life. Whenever we share selfless love in the family, we are sharing in the life of the Trinity

PARISH FOOD DRIVE

JUNE 22 – 23

*for Catholic Charities'
South Suburban Pantry*

Summertime and the living is easy.....not necessarily true for everyone. School is out and the kids are hungry, no school lunch or breakfast to help satisfy their hunger, they are looking for food in their cabinets at home. The kids are not alone, there are many of every age group that are in need. The South Suburban Catholic Charities Food Pantry needs YOU. They greatly appreciate your donations of cereal, pasta & sauce, tuna, canned chicken or meat, all canned goods—all non-perishable food items. Please bring your donations to our quarterly Food Drive before all masses on **June 22–23**.

If you prefer, cash or checks can be given to the volunteers collecting food at church, they will give it to the Pantry

The people of our parish have always been generous. Thanks for making this event a success.

CELEBRATING FATHER'S DAY

BLESSING OF FATHERS

God and Father of all creation, we come before you today with humble hearts. You are our model of a loving father.

When we fail and fall short of your expectations, you are always there at the end of the day with open arms, ready to heal the cuts and scrapes of the day and to encourage us to try again and not to give up.

We hold up these men in our midst who act in the world as fathers to their children or models of fathers for others.

Bless them in their moments of doubt and frustration with their children.

Give them warm and open hearts to forgive failures.

Provide them with the words needed for encouragement and perseverance.

We ask all this in the name of Jesus. Amen.

HOMEWOOD-FLOSSMOOR COMMUNITY BAND CONCERTS

Come join us this Summer and enjoy three free twilight music concerts with the H-F Community Band. The band is comprised of high school age to adults who have been playing with the band for many years. Each concert features the best of classical masterworks, showstoppers from Broadway to Hollywood, patriotic, and light popular favorites. **Concerts will be held Thursdays, June 27, July 11 and 25 from 7 to 8pm at the Irwin Park Bandshell, Ridge Rd and Highland Av, Homewood.** Bring your lawn chair or blanket and gather with others to enjoy an old fashioned Village setting. What a great way to introduce your children or grandchildren to the "voice" of musical instruments.

The new Director is Matt Johnson, Band Director at James Hart School. He has put out a call for musicians interested in participating. The band is a way to share camaraderie with others and making music as a part of a large ensemble. Rehearsals will be from 7 to 9 p.m. at James Hart School on Wednesday June 26, July 10, and July 24. If you would like to volunteer for the band or additional information contact Mr. Johnson at matthew.johnson@hsd153.org or at 708-799-5544, ext. 2381

For Your Information

APPROXIMATELY 1 IN 7 MEN WILL BE DIAGNOSED WITH THIS CANCER

by Jackie Hughes

Did you know that aside from skin cancer, prostate cancer is the most common cancer in U.S. men?

In fact, in 2019, there will likely be more than 174,000 new cases and 31,000 deaths, according to the American Cancer Society.

So what should you know about your risk, potential symptoms and when to get screened?

"The most common risk factors are things you can't control," says Dr. Mark Brandt, the division director of urology at Advocate Lutheran General Hospital in Park Ridge, Ill. "Those who have a higher risk generally have a family history, are African American and are older, as your risk increases with age."

Still, even if you are at higher risk for developing prostate cancer, there are tests that can help, says Dr. Brandt.

"Some tests that are commonly done at your urologist's office are a PSA (prostate-specific antigen) test, a rectal exam, a PHI (Prostate Health Index), a 4KScore or a prostate MRI. Dependent on the results of these tests, your doctor may order a biopsy," he explains.

"Prostate cancer can only be cured in the early stages before symptoms develop, which is one of the reasons this type of cancer is so frightening," he explains. "This is also why these tests are so important. When caught early, prostate cancer is curable."

So when should a man see a doctor?

The American Cancer Society recommends prostate cancer screening be offered to men starting at age 50 and earlier for those with risk factors, such as first-degree relatives with prostate cancer or men who are African American.

While in the early stages, prostate cancer usually doesn't cause symptoms. If left undetected, advanced cases can lead to difficulty voiding or blood in the urine. Although both of these complaints are usually related to other conditions, a visit to the urologist is the best first step to determine the right course of action and if further testing is necessary.

ARCHDIOCESE OF CHICAGO

Office of the Archbishop
835 North Rush Street
Chicago, IL 60611

June, 2019

Dear Sisters and Brothers in Christ,

At the center of our faith is the conviction that God loves us and calls us to love one another. God gives us a sign of his love and affection for us in giving us priests who serve as our spiritual fathers. They lead our parishes. They offer us support and encouragement in times of need. So often, without thinking of themselves, they serve with great generosity the people entrusted to their care. Now, this weekend we have an opportunity to express our gratitude for this gift that we have received. We will take up a special collection to support the priests who have supported us across our lifetime. This collection benefits both our active and retired priests and is directed to the Priests' Retirement and Mutual Aid Association (PRMAA).

The PRMAA supports our 500 active and 225 retired diocesan priests of the Archdiocese of Chicago. PRMAA provides for the health-care needs of our active priests as well as the medical and housing needs of our retired priests. This is the only collection that supports the priests of the Archdiocese of Chicago. It is separate and distinct from other initiatives for retired religious order priests, sisters, and brothers.

The active priests of the Archdiocese serve throughout Cook and Lake counties by proclaiming the Word of God, celebrating the sacraments, and offering a shepherd's care to our faith communities. Many retired priests continue to serve in their own way and have become indispensable resources for our communities. The health and well-being of all our priests are integral to their ability to work for us and serve our growth in faith.

Join me, then, in making a generous contribution to this weekend's second collection to support our priests. Let it be a sign of gratitude to them and to the Lord for the priestly ministry which has benefited all of us.

Sincerely yours in Christ,

Archbishop of Chicago
