From Our Pastor

THIS AND THAT

Every so often, there are a bunch of things going on that need to be or should be mentioned or updated, so here you go….

Sound System – We're received the required three bids for a new sound system in the church which will include a hearing loop for those who need an extra bit of auditory assistance. John Ligda is currently in the process of reviewing these (both of us met with reps from the three bidders) and then we'll ask the Archdiocesan Office of Facilities and Construction to review them and ensure that any contract we sign has all the "t's" crossed and all the "i's" dotted. We still hope to have this work done by Christmas, and none of it will have any significant impact on the use of the church during the installation process.

New Furniture – No, we didn't redecorate the rectory—at least we didn't pay for anything. Thanks to Deacon George Maddock and the assisted living facility in Homer Glen where he ministers each week we have a beautiful new conference table and comfy chairs in the north meeting room of the Burke Center (where the RCIA and a few other meetings take place) and several settees to replace worn-out pieces in the rectory basement. Some of the new chairs will also replace falling-apart chairs in the rectory basement meeting room. And the new chairs in the Burke Center have allowed us to replace the rickety chairs in the Cry Room—which, by the way, is for families with small children, not adults—with sturdier ones. It was this same Homer Glen facility that gave us all the tables and chairs in the new Tolton Meeting Room in the school. And all of this was **free!**

Kid and Family-Friendly efforts – You might notice a new item in the Sunday bulletin: a coloring page for young children which relates to the Sunday readings. There are also longer, booklet versions for coloring which will be on the tables in the rear of church each week. These aren't meant to replace the important work of parents helping their children learn to pray at Mass, but an added catechetical component that can help children use their imaginations to connect a coloring page with the scriptures. And at some point, we hope to implement a suggestion of our Parish Pastoral Council and designate one or two pews in the rear of the church for families with children who are too old to remain in the Cry Room but might still require a quick exit for a small tantrum or a bathroom break.

4 BREAST CANCER SIGNS YOU SHOULD KNOW

by Dr. Joseph John Weber

Most women know they should periodically check their breasts for lumps. The presence of unexpected lumps can sometimes be a sign of breast cancer. But finding an unexpected lump isn't the only symptom of cancer women should be aware of. There are what we know as atypical symptoms that every woman should know about. Being aware of these symptoms, in addition to completing self-exams for lumps, can increase your chances of noticing possible cancer symptoms early. Early detection is an important element of successfully treating cancer. If you have any questions about changes in your breasts, check with your health care professional.

Here are four additional cancer symptoms all women should be aware of:

- **A rash or dimpling of the breast skin:** The skin may feel scaly or thicker than your skin does otherwise. It might dimple and, in some cases, the skin may take on the texture of an orange peel.
- **Swelling of the breast:** This could be the outward appearance of a lump that can change the shape or size of the breast. The swelling may result in discomfort or pain in the swollen breast. About six percent of women in a recent study reported breast swelling.
- **Nipple changes:** The nipple can turn inward. This is called an inversion or retraction. This can result from a growth in the breast changing its shape. About seven percent of women diagnosed with breast cancer reported nipple changes.
- **Nipple discharge:** We're talking about a discharge that is not milk. Fortunately, most of the time, a discharge is not a sign of cancer. But if you notice a discharge, it's best to go see your health care provider.

Now, it's important to point out that the presence of these symptoms does not mean cancer is present, but noticing these signs does mean you should promptly see your health care professional. Discuss the signs you notice and when you noticed them.

Diagnosing breast cancer

Your health care provider can discuss options for determining if there may be cancer tissue. That may include one or more of these tests:

Mammogram: This is an X-ray of the breast. A mammogram can often find a lump before it can be felt. Ask your health care professional how often you should have a mammogram.

Ultrasound or magnetic resonance imaging tests: These tests can give your health care professional more of a view of the breast tissue.

Biopsy: Your doctor will remove a small amount of breast tissue for inspection. This is the only sure way to tell if cancer is present. A pathologist will analyze the tissue to verify that it is cancerous and determine the type of cancer.

Breast tissue test: Tests such as the hormone receptor test and HER2/neu test can help determine the best course of treatment if breast cancer is the diagnosis.

If you haven't already had a conversation with your health care professional about your breast health, your next visit is a good time to start.

St. John Paul II Rosary for Peace

Oct 13 at 3pm
19831 Governors Hwy

St. John Paul II had a deep devotion to our Mother Mary. He even believed she diverted the bullet meant to take his life on May 13, 1981, 64 years to the day after Our Lady of Fatima's first appearance in Fatima Portugal. It is also acknowledged by John Paul II and the Vatican that he is thought to be the "Bishop in White" prophesied by our Lady that would be slain along with other bishops and faithful after ascending a mountain and reaching a wooden cross at its summit. In spite of the prophesy, the Bishop in White survived. It was told to the children of Fatima that through prayer and penance for the sins of mankind we would be spared God's wrathful judgment. That the future is truly in our hands.

In this context and being led in prayer with a rosary given to a local resident by St. John Paul II, you are invited to join in praying a rosary for peace and God's mercy. on **Sunday October 13, at 3pm,** the 102nd anniversary of Our Lady of Fatima's last appearance, we will join in prayer at the **Flossmoor Planned Parenthood, located at 19831 Governors Hwy**. Using St. John Paul II's gifted rosary we will pray for peace in the womb and in the hearts of expectant mothers, peace among people of our country and peace between nations. Please join us in answering Mary's call for Prayer and Penance.

Yours in Christ for Life,

ARCHDIOCESE OF CHICAGO

October, 2019

Dear Sisters and Brothers,

Love for God's people and the mission entrusted to us as disciples stands at the heart of *Renew My Church*. Each October on World Mission Sunday, we join with the Church across the globe in joyful response to the call to "go into the whole world and proclaim the Gospel to every creature" (Mk16:15).This year, the Holy Father, Pope Francis calls for an Extraordinary Mission Month throughout the month of October in celebration of the 100th anniversary of the Apostolic Letter *Maximum Illud* which, "sought to give new impetus to the missionary task of proclaiming the Gospel."

In calling for this Extraordinary Mission Month, the Holy Father invites us to transcend national boundaries in these troubled times in our world , bearing witness “to God's saving will through the Church's universal mission." The World Mission Sunday collection, celebrated worldwide on October 20, supports the efforts of over 1,000 economically poor dioceses to provide spiritual and material aid to people across Africa, Asia, and remote areas of Latin America and the Pacific Islands. Recipient churches and congregations also bring hope to people facing poverty, violent conflict, and displacement in the Middle East, Northeast Africa, India and Eastern Europe.

In honor of the Holy Father's call to renewed fervor for the Church’s universal mission, every parish engaged in works of solidarity and charity with our global neighbors are invited to join the diverse community of Archdiocese of Chicago in a Mass of Thanksgiving for missionaries next Sunday, October 27 at St. Ferdinand Church beginning at 5:00p.m. Together we will give thanks for the local parishes that are dedicated to the Catholic Church's world mission.

It is my prayer that each parish is inspired to embrace World Mission Sunday as an opportunity to join with the global Church in making disciples throughout our world, as we are called to do during the Renew My Church process. May our witness inspire others in our Chicago community, especially young people, to embrace the call to love and follow Christ. With every good wish, I remain,

Sincerely yours in Christ,

Archbishop of Chicago

World Mission Sunday Collection, October 19-20

Next Sunday, we celebrate WORLD MISSION SUNDAY during this Extraordinary Mission Month. As Pope Francis reminds us, “Faith in Jesus Christ enables us to see all things in their proper perspective, as we view the world with God’s own eyes and Heart.” World Mission Sunday calls us to solidarity with communities of faith that are young, struggling or economically strained around the globe. Please pray for our brothers and sisters in faith and be generous in next week’s collection for the Society for the Propagation of the Faith.

Healing within Marriage from an Abortion

Read the full version at respectlifeprogram.org/healing-in-marriage.

When Susan's* husband, Juan, told her about the abortion he was involved in during college, she finally understood why he was so depressed and had trouble bonding with their children. The devastation of abortion brings with it many challenges. Often, the people who have participated in an abortion are unaware of the countless ways it is affecting their lives. It is scary to tell a spouse or fiancé(é) about a past abortion. It requires great trust in that person's love and trust in God. But with the help of an abortion healing ministry, couples can successfully work through abortion-related challenges. God's grace can bring true healing to the relationships of those who trust in His infinite mercy.

God's grace can bring true healing.

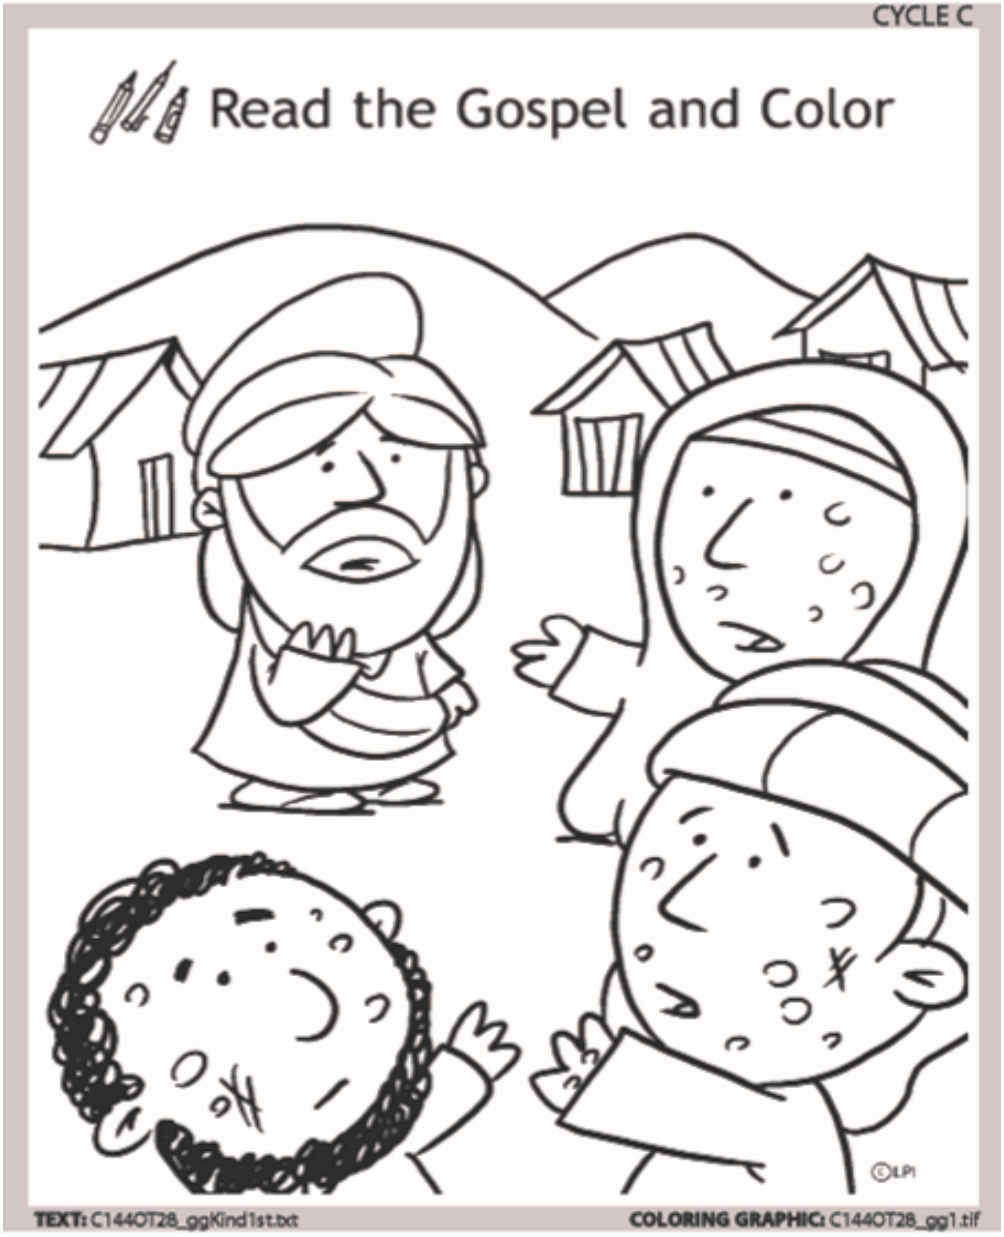
Growing with the Gospel

Luke 17:11-19 ■ 28th Sunday in Ordinary Time



GOSPEL: Lk 17:11-19

As Jesus continued his journey to Jerusalem, he traveled through Samaria and Galilee. As he was entering a village, ten lepers met him. They stood at a distance from him and raised their voices, saying, "Jesus, Master! Have pity on us!" And when he saw them, he said, "Go show yourselves to the priests." As they were going they were cleansed. And one of them, realizing he had been healed, returned, glorifying God in a loud voice; and he fell at the feet of Jesus and thanked him. He was a Samaritan. Jesus said in reply, "Ten were cleansed, were they not? Where are the other nine? Has none but this foreigner returned to give thanks to God?" Then he said to him, "Stand up and go; your faith has saved you."
