Jesus answered, "My kingdom does not belong to this world. If my kingdom did belong to this world, my attendants would be fighting to keep me from being handed over to the Jews. But as it is, my kingdom is not here." - Jn 18:36

Jesús le contestó: "Mi Reino no es de este mundo. Si mi Reino fuera de este mundo, mis servidores habrían luchado para que no cayera yo en manos de los judíos. Pero mi Reino no es de aquí". - Jn 18, 36

From the Pastor's Desk

Today we reflect on Christ as King. We all could ask: "How have I let Jesus reign in my heart"? We are all told about the goal of determining our path in life ourselves, of expecting to be able to structure the world in the way that we believe is best. There is a tremendous freedom in being able to allow Jesus to take the lead - to realize that His plan for us is the thing that will most ultimately satisfy and complete us. Our world tells us that only you know the true path to happiness, and having it the way you want is the only sure way to satisfaction, but it is often those unexpected paths by which the Lord leads us - that get us to a place we did not expect or plan - that really are the things that satisfy those needs we weren't aware of.

In our most recent Pastoral Council meeting we discussed commemorations and continued plans for unification of the parish, set a committee to develop a parish survey, and looked at our most recent trends. We also completed two important tasks: (1) Since it has been one year that the council has been in existence, one set of members was ending their term (to ensure an even turnover in membership, each of the initial members was randomly assigned a 1, 2, or 3 year term). Of these five members four requested and were reappointed for a three year term. Two members are leaving the Council which leaves a few places vacant. If you know of anyone who you feel would be appropriate, please contact me. (2) We approved an initial Mission Statement for the parish which appears in the bulletin and on the website. This is the result of much discussion and committee work. It represents where the Council, after prayerful deliberation, believed the Lord is calling us as a parish family. Take a look and see where Jesus is calling you personally to help fulfill this larger mission in our family.

Speaking of family and friends, I hope everyone had a good Thanksgiving. I was able to spend it with my sisters and their families at the new home of my oldest niece and her husband, and also visit some friends at their home in Worcester. Before leaving for this holiday, a draft version of the yearly Financial Report to Parishioners was completed and sent to Finance Council members for their feedback. It will be finalized and voted on in the Nov. 26th meeting and distributed in the bulletin and on the website next weekend. We have had some additional students apply to the school and anticipate inching above the number we had last year - a true sign of the rebound and growth of the school. We have planned spiritual activities for Advent which you will find on sheets at the entrances of the church. If you have been feeling that your spiritual life needs a "recharge" take a look at attending some of these - you never know where God may touch you as we approach the celebration of His coming at Christmas.

There are continued areas we need to grow in as a community. The Mission Statement helps to mark out some of these, and we need to trust in the power of the Lord to help us achieve our goals. If we let Jesus be King in our hearts and King in this parish we will continue to see good things. I sometimes can lose sight of all that we have accomplished together when looking at what needs to be done, but I have been receiving messages in prayer to be courageous and to trust in the power of God - which St. Paul tells us "is able to accomplish far more than all we ask or imagine."

Peace,

Fr. Steve

Waiting in Hope

All are welcome to join us in kicking off Advent with a reflection on Waiting in Hope led by Andrea Tavaska and Maura Sweeney on Monday, December 3rd at 3:30p.m. in the Teacher's Room at Holy Family Academy. The Giving Tree

The St. Vincent de Paul Society is now beginning preparations for Christmas gifts and food baskets.

The Annual Giving Tree is the major fundraiser for this Society. Some of the money will be used at Christmas to purchase gift cards for needy children and food for the baskets. Other funds collected will be used throughout the year to support the ongoing needs of the local poor we serve. To make a monetary donation, take an envelope from the Giving Tree and put your donation inside. You can then return it by placing it in the collection basket or delivering it to the Parish Office.

We could especially use donations of canned pineapple, soup, baked beans, spaghetti noodles, spaghetti sauce, tuna, peanut butter, cake mixes, frosting, diabetic desserts, canned vegetables, applesauce, cereal, and special holiday treats. We need all food donations to be in by December 9th so we can arrange our food baskets to be delivered on time this season.

Quick—Come Get a Meat Pie!

A tasty, homemade meat pie is the perfect addition to any holiday spread. Come pick one up for the holiday season! You can get your meat pies at the Parish Office on Nichols Street. But act fast—they are selling quickly! **All the small pies have been sold and now we only have large pies left.**

We accept cash or electronic payments in the Office.

We Pray for California: St. Florian, Pray for Us

Please take a moment this week to pray for the intercession of St. Florian, the Patron Saint of Firefighters.

Almighty God, We pray that through the intercession of your beloved, Saint Florian, those courageous men and women fighting fire in California will be protected and strengthened by Your providence. Bring consolation to those who have lost loved ones, dwellings, and their sense of security. May they find a home in your gracious love and a hope in the generous works of your servants here on earth. Amen.

Yes we CAN make a difference!

Question of the Week

Question for Adults: What is the truth for you? How do you live the truth everyday?

Question for Youth: Is it difficult or easy for you to tell the truth? How does Jesus help you?

Help Us Share Books that Deepen Faith

If you have been enjoying the books we have been giving away please consider supporting future titles by making a modest donation to our book fund. Checks should be made out to Annunciation Parish and placed in an envelope marked "Book Fund." Your donations will help us offer all families the book Beautiful Hope this Christmas.

Delve Deeper into the Mass

Copies of **Living the Mass: How One Hour a Week Can Change Your Life** are still available at the back of each church for those who would like to read it. This book by Fr. Dominic Grassi and Joe Paprocki reminds us that the Mass can lead to a transformation of our lives if we allow it to. The book breaks down the parts of the Mass and looks at what they have to teach us about growing closer to God in our everyday lives.

If you would like to view or join in our online conversation about this book, go to the homepage of our website [www. AnnunciationGardner.org](http://www.AnnunciationGardner.org) and click on the "Living the Mass" icon.

Something to Think About...

As you begin your Christmas shopping this week, please consider giving gifts that are in the spirit of the Prince of Peace whose birth we celebrate. Try avoiding toys or games that glorify violence. Instead look for gifts that celebrate creativity, family fun, sportsmanship and the heroic spirit.

If you are looking for a gift for that adult who has it all, why not make a donation to their favorite charity? Let's make this season of gift giving a reflection of *The Gift* that has been given to us by the One who loves us most.

A huge thank you to all who contributed to the parish Thanksgiving Baskets!

Thank you to the parishioners who so generously answered our calls for food donations, to those who contributed money, to the Religious Education students who made cards for the baskets, to the cheerful and efficient students from Holy Family Academy who helped to fill the baskets, and to Market Basket for their contribution. Thank you all for making the 61 Thanksgiving Baskets possible.

Thinking of Our Seminarian

Our parishioner Lucas LaRoche is continuing his studies for the priesthood in Rome. Since he will not be able to come home for Christmas, please consider sending him a Christmas card to remind him of our support and love during this time of the year. You can drop your card off at the Parish Office by December 5th to be mailed to Lucas, or you can mail it on your own to:
