January 22, 2017

LIBERATION AND REFORM

While you might have to reach for an atlas to determine that Isaiah is speaking about Galilee, today's first reading (part of which was read at Christmas) is prophetic of Jesus' future ministry in that province. The light that brings salvation and rejoicing is, ultimately, Christ. Liberation is the theme: liberation from both ignorance ("darkness") and sin (the "yoke"). As Isaiah identifies a place, so Paul describes an attitude: the attitude that develops, even among good people, of equating their own will with the common good. This always brings dissension, and so it has done in Corinth. Paul will not allow this; we are all members of "Christ's party." The gospel is not to divide us. Matthew quotes from Isaiah in today's Gospel, presenting Jesus as the fulfillment of Isaiah's prophecies. The theme is "Repent, for the kingdom of heaven is at hand" (Matthew 4:17). To spread this message, Jesus begins to select disciples, four of whom we meet today: Peter, Andrew, James, and John. .

From the desk of our pastor, Father Tony Neusch.

Woodrow Wilson was president. The University of Oregon won the 3rd annual Rose bowl beating University of Pennsylvania 14-0. The United States entered World War 1 on April 2. The first Pulitzer prizes were awarded. For the first time the Senate had a limit on filibusters with the adoption of the cloture rule. Love Field is opened in Dallas. The Virgin Islands are purchased from Denmark. 500,000 people die in the United States due to influenza pandemic, by 1920 20 million will die worldwide. The International Committee of the Red Cross won the Nobel Peace prize. Czar Nicholas II of Russia abdicates his throne. The average yearly wage was $687. A new house would cost you $3,200. Gas was $.15 a gallon and so was lunch at a restaurant. A stamp for a letter would cost you 2 shiny pennies, and a pair of men's dress shoes were 4$ and a lady's pair $8.50. Benedict XV was pope. The Virgin Mary appears to 3 poor, illiterate, Portuguese shepherd's children in Fatima. And a full time school was opened at St. Anthony's Catholic Church in Hereford, TX.

A 100 years have passed. Many things have changed and grown and passed away. Lives have been lived, children have been born, couples have been married, and the dead have been buried. Students have graduated and sent their own children and grandchildren to be educated in our School's Holy Halls. We are rightly proud of the quality of education we have provided. We are excited about seeing where our alumni have been sent by Christ into the world to change it. For a century we have taught reading, and writing, and arithmetic, we have taught the importance of the human person and the dignity of all people, but most importantly we have taught generations of children through our actions and our presence that Jesus Christ loves them. That He offered His life on the Cross for their salvation. That He suffered, died, and rose again for the salvation of all His people. We have worked side by side with parents and grandparents to spread the love of Jesus Christ. There is no academic success, no great work, nor wonder of human ingenuity that can compete with this awe filled charge. Let us with all seriousness and commitment keep foremost the greatest commission of Jesus Christ to go to all the nations, make disciples, baptize them, and teach them to observe and live all that He has commanded of us.
