"I believe the root of all evil is the abuse of power." This statement by writer Patricia Cornwell is strongly reflected in today's Gospel.

The stories of power, and its misuse, are legion and reach into every dimension of life including the workplace, politics, church, marriage, relationships and even parenting.

In today's Gospel, the misuse of power is central to Jesus' teaching where he speaks forcefully about the good use of power as compared to its opposite.

Good power, Jesus passionately argues, embraces a selfless, benevolent dimension. It involves the sharing of burdens, not the imposition of millstones around the necks of others.

Admittedly, this argument of Jesus requires a substantial upgrade in human consciousness. The opposite is reveling in our vanity and greed, seeking vengeance and domination, desperately advancing ourselves to suppress others.

In contrast to misuse of power, Jesus offers an opposing truth: "The greatest among you must be your servant. Whoever exalts himself will be humbled; but whoever humbles himself will be exalted.

This teaching represents the heart of the ethics that must belong to the new faith community that Jesus is founding — as it must be in our faith community now some 2,000 years old. Regarding the rightful use of power, four major themes are implied in Jesus' teaching:

- Walk the walk. Don't just talk the talk. Central to this teaching is the connection that must exist between word and deed. We are what we do, not what we say.
- Your use of power is always directed to love towards others. The law of love involves not preaching or teaching, so much as doing. Action is what makes the difference.
- Piety is an internal affair of the heart. It is not about impressing people or looking for ways to be honored and glorified.
- We are all called to a life of holiness, not only those in leadership positions. It is not just the "job" of priests, ministers, religious leaders to be holy. The call from Jesus to live a new kind of life extends to everyone.

The good use of power involves developing a new kind of language, a new set of words: The greatest will be servants and those who exalt themselves will be humbled. This is the kind of language that Jesus promotes in today's Gospel — the language that protects children, the poor, the hungry, the dismissed, the irrelevant, the "less-thans." It's the kind of language that moves us as a people from violence to nonviolence, from imperial power to relational power, from domination to transformation. The ultimate result of this kind of language will then become a primary way of living lives of kindness. And, as Mark Twain reminds us: "Kindness is the language which the deaf can hear and the blind can see."

### **Rectory Fund Update**

Our goal of \$250,000 can be achieved easily with a pledge of \$1,000 from each family in our parish! This pledge can be paid over the next two years and can be broken down into payments of just under \$10 per week.

Watch for the special red envelope in your offertory envelope package. This red envelope can be used to make periodic payments toward your family's pledge to the rectory fund. By using this special envelope you can be assured that your contribution will be properly credited to the rectory fund.

Donations can also be made through our parish website [www.stcyrilparish.org](http://www.stcyrilparish.org). Thank you to everyone who has already answered this call to action. Your sacrifice and generosity is greatly appreciated!

### **"BABY BOTTLE BOOMERANG"**

The drive will end on Nov 4/5. Please return your bottles and place them in the baskets at both entrances of the church on this weekend. Thank you for your generosity in support of the Canby/Molalla Pregnancy Care Centers. This goes directly to support women and teens walking through the challenges of unplanned pregnancy.
