Third Sunday of Lent

A woman encounters Jesus at Jacob's well while drawing water for her household. Their thirst brings them together. Given the strict rules of public decorum regarding encounters between men and women not of the same family this chance meeting could have been over before it began. Add to this that Jews and Samaritans had been the bitterest of enemies for centuries. Their hatred for one another and hostility toward the other knew few if any equals.

But yet, the two sit, talk and *listen* to one another. Through their mutual acceptance of the other, the walls, boundaries, hostilities and hatreds, which had long separated Samaritans and Jews, melt away and disappear. The Samaritan woman comes to understand who Jesus is. Initially he is a Jew, the despised and hated other. As he candidly speaks of her marital history, she comes to believe that he is a prophet. As Jesus teaches her and reveals more of his identity the woman says, "I know that the Messiah is coming, the one called the Christ; when he comes he will tell us everything." Jesus replies, "I am he, the one who is speaking to you." The woman then hurries away excitedly, to tell others in the town about this extraordinary man at the well. She asks, "Could he possibly be the Christ?" After *listening* to the woman and then *listening* to Jesus, the townspeople come to believe that Jesus is the Messiah. The author of John's Gospel says, "The woman left her water jar and went into the town." Perhaps, knowing she was coming back, she knew she could retrieve it later.

Or, did the author intend another meaning? Could the jar left behind serve as a metaphor for the life she had been living?

HOMEBOUND MINISTRY

We can sure use some new men and women in our Ministry of visiting the Homebound in our community. Doing a Communion service at the various facilities in our Community. What does this entail? Taking the Eucharist to people who cannot come to Mass in bodily form. They are so appreciative of our visits that it is WE who are blessed, as well. We will not "turn you lose" until you are trained and feel you are ready. We "Ministers" try each Friday to join each other in lunch somewhere in Wilsonville. This allows us to decompress and to find joy in each other before we return home.

The Ministry consists of: coming to Mass (1/2 hr on Friday) and then a Communion service of ½ hr. Then visiting anyone who couldn't attend. Usually 3-4 people. Then we are ready for lunch. We visit the SpringRidge and Court on Wednesdays. Please call the Office, Joanie Kruse, 503-201-6990 or Sally Marta, 503-694-8740. Please call and sign-up as we do have a lot of fun too.

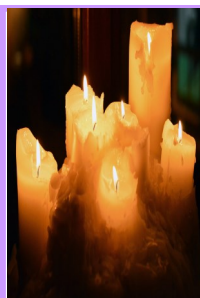

Stations of the Cross and Soup Supper

Stations of the Cross will be held in the church on the Fridays of Lent at 6:30pm. A *simple* soup supper will be offered in the Parish Hall following the Stations. At the heart of this effort are the Lenten themes of prayer, fasting, and almsgiving and so, we emphasize *simple* and encourage fellowship! Thank you to the parishioners who have volunteered to make soup.

St. Cyril Lenten Reconciliation Service

Our Lenten Reconciliation Service will take place **Tuesday, March 24th at 7:00 pm** in the church. This is an opportunity to receive the Sacrament of Reconciliation in this Lenten season. Please join us for this communal parish service. There will be three priests in attendance to minister to this sacrament.

Taize Prayer Service

Wednesday, March 18, 7:00 pm in the Church

A Taize contemplative worship service consists of sung and chanted prayers, meditation, a period of silence, and liturgical readings. Come join your fellow parishioners for this special Lenten time.

St. Patrick was a fifth-century Romano-British Christian missionary and bishop in Ireland. Known as the "Apostle of Ireland", he is the primary patron saint of Ireland, the other patron saints being Brigit of Kildare and Columba. He is venerated in the Catholic Church. he was active as a missionary in Ireland during the fifth century.

When he was about 16, he was captured by Irish pirates from his home in Britain and taken as a slave to Ireland, looking after animals; he lived there for six years before escaping and returning to his family. After becoming a cleric, he returned to northern and western Ireland where, around 432, he became a bishop to succeed St. Paulinus who had died the previous year.

He visited Rome in 442 and 444, founded the Cathedral Church of Armagh which soon became the center of the Catholic Church's activities in Ireland. During his thirty years in Ireland he raised the standard of scholarship, encouraged the study of Latin, and brought Ireland into closer relationship with the rest of the Western Church. By the seventh century, he had already come to be revered as the patron saint of Ireland.

Facility Update

As you have probably noticed, we have several projects in the works around the St Cyril campus.

1. The markings along the street and parking area in front of the Parish Office is to mark the utilities prior to working on the septic system. The Parish Office is currently on a septic system rather than the City sewer. We recently learned the septic tank is compromised and will need to be removed, per the City of Wilsonville. Once we have all permits, and the "okay" from the City, the septic tank will be removed, the hole filled and the Parish Office connected to the sewer.
2. The Parish Hall roof is an ongoing project that we are taking very seriously and weighing all options. At this time we are looking at several quotes to determine how to move forward. We hope to begin this major project early summer. More information to come as we move along and learn more.
3. It's also Safety First Grant time again! As some of you may remember, the Safety First Grant is offered once a year by the Archdiocese and parishes may apply for a matching grant up to \$10,000 to improve the safety of the parish campus. Once we have applied, been approved and the summer progresses you will see projects get underway.
4. We recently installed a new hot water heater in the sacristy. There were a few issues with the new hot water heater when it was first installed but we seem to have gotten the kinks out and it's working quite well at this time.

*Thank you for your continued
support of St Cyril Parish.*
