March 22nd, 2020  
 4th Sunday of Lent

“Do you believe in the Son of Man?” Jesus wants to motivate each one of us to see the truth. After developing a relationship with Jesus, the blind man “sees” as someone very special. The Pharisees, due to the blindness caused by their ignorance, prejudice, and need for self-preservation, still remain blind. Presuppositions, prejudices, assumptions, and our needs can easily blind us to truth. We see what we want or need to see and not what is really there. In addition, our stubbornness continues to convince us that we are right and that our vision is perfect. Only God can complete the picture.

Look around at our world. So much of what is happening today is due to the reluctance of folks to allow themselves to be stretched and brought to see what is really there. Many react to what life presents to them more with the lenses of ignorance than lenses of clarity. The Gospel carries great transformative value. With it, God corrects our vision and replaces our limited sight with the fullness of his sight. God opens our eyes so that we can see that it is not about preserving what we have created but of living in the immensity and wonder of God’s kingdom.

Through a simple, loving relationship with God, we can break through the tethers of prejudice, eradicate fear, dispel the darkness of hatred and sin, discover freedom, live in peace, work for justice, be effective stewards of creation, assist the migrant and the immigrant, and safeguard our economic systems and policies so that they truly serve all of God’s children. What we see is often an artificial lie. Our truth is much bigger than what our limited sight believes it to be. Allow God to work in and through you. Do not be afraid. Be open and be humble enough to know that you need help. Many human beings are living with severe cataracts that produce sight that is at best blurred. Are you one of them?

### ProLife Request

The **ProLife Committee** has not been able to locate the following 3 DVDS on loan:

2 Copies of UNPLANNED and 1 Copy of GOSNELL  
If you have seen them, please return them to the kitchen area of the church. Our ProLife members thank you.

### St. Vincent de Paul

As the Knights of Columbus continue their 40 cans for 40 days drive during Lent, we are reminded not to just “give something up” but also to “give something to the poor”. Thank you for your support of the Knights and St. Vincent de Paul.

### HOMEBOUND MINISTRY

We can sure use some new men and women in our Ministry of visiting the Homebound in our community. Doing a Communion service at the various facilities in our Community. What does this entail? Taking the Eucharist to people who cannot come to Mass in bodily form. They are so appreciative of our visits that it is WE who are blessed, as well. We will not “turn you lose” until you are trained and feel you are ready. We “Ministers” try each Friday to join each other in lunch somewhere in Wilsonville. This allows us to decompress and to find joy in each other before we return home.

The Ministry consists of: coming to Mass (1/2 hr on Friday) and then a Communion service of ½ hr. Then visiting anyone who couldn’t attend. Usually 3-4 people. Then we are ready for lunch. We visit the SpringRidge and Court on Wednesdays. Please call the Office, Joanie Kruse, 503-201-6990 or Sally Marta, 503-694-8740. Please call and sign-up as we do have a lot of fun too.

### Stations of the Cross and Soup Supper

Stations of the Cross will be held in the church on the Fridays of Lent at 6:30pm. A *simple* soup supper will be offered in the Parish Hall following the Stations. At the heart of this effort are the Lenten themes of prayer, fasting, and almsgiving and so, we emphasize *simple* and encourage fellowship! Thank you to the parishioners who have volunteered to make soup.

### St. Cyril Lenten Reconciliation Service

Our Lenten Reconciliation Service will take place **Tuesday, March 24th at 7:00 pm** in the church. This is an opportunity to receive the Sacrament of Reconciliation in this Lenten season. Please join us for this communal parish service. There will be three priests in attendance to minister to this sacrament.

**Catholic Relief Services—CRS**

This week, we take up The Catholic Relief Services Collection to help **Jesus in disguise**. This collection helps six Catholic agencies to provide struggling communities with relief and support and to work for peace and reconciliation among our marginalized brothers and sisters here and around the world. Please prayerfully consider how you can support the collection.

**LENTEN Fasting and  
Abstinence Regulations**

All Catholics **14 years and older** must abstain from meat on the Fridays of Lent, Ash Wednesday and Good Friday.

All Catholics between **ages 18 and 59**, are to fast on Ash Wednesday and Good Friday. To fast means to eat only one full meal. Two smaller meals also may be taken for good health but together they should not equal, a full meal. Eating between meals is not permitted; however, liquids including coffee, milk and fruit juices are allowed.

## Facility Update

**As you have probably noticed, we have several projects in the works around the St Cyril campus.**

1. The markings along the street and parking area in front of the Parish Office is to mark the utilities prior to working on the septic system. The Parish Office is currently on a septic system rather than the City sewer. We recently learned the septic tank is compromised and will need to be removed, per the City of Wilsonville. Once we have all permits, and the “okay” from the City, the septic tank will be removed, the hole filled and the Parish Office connected to the sewer.
2. The Parish Hall roof is an ongoing project that we are taking very seriously and weighing all options . At this time we are looking at several quotes to determine how to move forward. We hope to begin this major project early summer. More information to come as we move along and learn more.
3. It’s also Safety First Grant time again! As some of you may remember, the Safety First Grant is offered once a year by the Archdiocese and parishes may apply for a matching grant up to \$10,000 to improve the safety of the parish campus. Once we have applied, been approved and the summer progresses you will see projects get underway.
4. We recently installed a new hot water heater in the sacristy. There were a few issues with the new hot water heater when it was first installed but we seem to have gotten the kinks out and it’s working quite well at this time.

*Thank you for your continued support of St Cyril Parish.*
