The Epiphany of the Lord

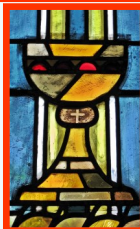

A friend of mine is a young priest who teaches high school physics at a Catholic boys' prep school. Like many today, the boys often think science and religion are enemies. So, he delights in their raised eyebrows when he reminds them his first full-time job as a priest was to be an astrophysicist. He cataloged the size, shape, and matter of distant stars. He tells them, "Science gave me more love for God, not less."

The Magi were something like scientist-astronomers. Like today's scientists, they employed disciplined methods of discovering dependable patterns in the world. Their rigorous commitment to the truth led them to the joy of discovering Jesus. Their love for knowledge leads them to worship the Source of all knowledge. Luke says of them, "**They were overjoyed at seeing the star.**"

We may see the universe as cold and empty and feel sad. But why should we do that? The Magi, like my priest-friend, show us there is another way to experience the world. We use our intelligence to discover the beautiful patterns in the world — in mathematics, physics, astronomy, biology, neuroscience, and so on — and allow this to lead us to greater love for God. So, my fellow Magi: the world needs us to be overjoyed at finding God in science and, finally and fully, in Jesus. *Father John Muir* ©LPi

Community Thanksgiving Dinner: 2022 - The 9th Installment

We did it again! Our 9th community dinner was a record-breaker!

We served 287 take-out dinners, which was 7 more than 2021. Even with rising food prices, the cost of dinner was \$3.76/person, negligible compared to 2021 costs.

There aren't enough words to express appreciation to the many volunteers who help staff this event or those who donate money that fuels the event. Our church community & the greater impacted by this free meal.

A special Thank YOU to the Knights of Columbus, who set up & take-down the signage advertising on the day of the event & to Sarah Geisler, who delivers our remaining dinners to people the I-5 North- & Southbound rest areas. *Eileen Clarkson and Joanie Kruse*

JANUARY: For Pope Francis' January Intention:

We pray for all those suffering from religious discrimination and persecution; may their own rights and dignity be recognized, which originate from being brothers and sisters in the human family.
