

Dear Second Grade Students and Families,

Happy start to the summer to all of the incoming second grade families! During this upcoming school year we will dive into the world of money, measurement, data interpretation, and base-ten blocks, all while enhancing our knowledge of vowel pairs, reading comprehension skills, and writing abilities. Correspondingly, your children will be immersed in hands-on activities to connect our science and social studies curriculum to real life experiences. We will also be learning cursive writing in the spring portion of the school year.

Furthermore, this is an exciting time as your children go through the sacraments of Penance/Reconciliation, as well as their First Holy Communion. Please be prepared to produce your child's Baptismal certificate if you plan to have them receive these sacraments. As the new year begins, you will receive more information regarding both religious milestones.

Prior to coming into second grade, students should have some general knowledge regarding addition and subtraction of numbers within 0 to 20, be able to identify most digraphs, and should have some general knowledge of coins. Additionally, please work on teaching your children how to tie their shoes over the summer.

Below you will find a list of supplies required for the school year.

- 3 folders (Red, Blue, & Green)

- 1 pencil case with the following placed inside
 - 1, 12 pack (or more) of sharpened #2 pencils
 - 1 box of crayons or colored pencils
 - 1 box of washable markers
 - 2 dry erase markers
 - 1 pack of glue sticks
- 5 Grade 2 composition notebooks (these can be found on Amazon)
- 1 pair of headphones

The following items will be used as classroom supplies (these may be handed in any day by September 20, 2026).

- 1 ream of copy paper
- 1 ream of Grade 2 looseleaf
- 2 rolls of paper towels
- 2 boxes of tissues
- 1 bottle of hand sanitizer
- 1 pack of construction paper
- 1 tub of disinfectant wipes

The following items are not required, but would be appreciated:

- Scotch Tape
- Baby Wipes
- Masking Tape

To get your child ready for the upcoming school year, please find the following assignments to complete before the first day of school.

- (1) 5 ELA Worksheets
- (2) 5 Math Worksheets
- (3) Read a book of your choice from the provided list and then complete

the story map outline.

(4) **Optional** Fast Math Activities - Fast Math Addition and Subtraction
Worksheets

Have a wonderful and safe summer break! I look forward to having an amazing school year!

With Regards,
The 2nd Grade Teacher
