Dear Parent or Guardian:

We are pleased to announce that all students enrolled at Fr. Vincent Capodanno Academy will be able to receive a FREE breakfast and lunch meal at school beginning in September 2026.

This implementation is a result of the United States Department of Agriculture (USDA) expanding access to the federal Community Eligibility Program (CEP). CEP allows eligible schools participating in the National School Lunch and Breakfast Programs to offer school meals at no charge to all students.

What does this mean for your child(ren) attending the school(s) identified above? Effective September 2026 all students enrolled at Fr. Vincent Capodanno Academy will receive meals at no cost to your household. No further action is needed from you.

If you have any further questions, please contact the Child Nutrition Program at 646-794-2765.

Sincerely,

Kathleen M. Kelly
