Quarter 2 - Quick Changes to the Land & Bodies of Water (Natural Disasters)

Quarter 3 - Slow Changes to the Land & Bodies of Water (Weathering, Erosion)

Quarter 4 - Protecting the Earth & Animals in their Environments

Outline for ELA Curriculum

We will be using the Magnetic Literacy ELA curriculum this year which incorporates all of the NYS Next Generation Standards. We will work on a plethora of skills ranging from decoding to reading comprehension. Likewise, we will follow the units in order connected to the Magnetic Literacy curriculum. There will be NO spelling tests this year.

Outline for Social Studies Curriculum:

September - Types of Communities

October - Maps

November - Native Americans, Early Settlers & Colonial America

December - The American Revolution

January - Federal Government

February - State & Local Government

March - Economics (Producers & Consumers)

April - Cultures Around the World

May - Maps Review

June - Mock Government

Outline for Religion Curriculum:

We will be following the We Believe curriculum for our religion class. We will also be preparing for the Sacraments of Penance/Reconciliation and First Holy Communion. If your children are not receiving these sacraments, they will complete supplemental material from the We Believe curriculum.
