Dear Class of 2022,

*"Difficult journeys can lead to beautiful destinations",* this is the phrase you picked for this year's wall painting. For many reasons I think this describes who you truly are and the big legacy you leave behind. When I first came to the school you were already recognized for being an amazing class. One of your many attributes is how popular you are among the school staff, as they say, ***"Class of 2022 is full of leaders and students with big initiative!"*** Throughout these years you have certainly proven this. Each one of you is unique, each one of you has talents and gifts that have made SAS a special place for all of us and your families.

What I most admire about you is that you have not kept those many talents to yourselves, you have worked to achieve your personal goals, and how selflessly you have also worked hard to make different school projects a reality. You have always shared your gifts with everyone. One project that will stay as your legacy is ***"The Blessing of the Bibles"*** at the beginning of the school year. As good leaders, you had the initiative to request new and better bibles for your class and the whole school. Then, full of faith and with a new Bible in hand, you never stopped growing spiritually, having a better understanding of the Word of God. This is truly remarkable as every year we will bless new bibles for our school family. This legacy is a clear sign of how much you value your spiritual life and your relationship with God. You are a class so full of faith and you have never hesitated to share it with others. Never forget what Jesus says to those faithful servants who put their talents to good use, ***"Well done, good and faithful servant. You have been faithful over a little; I will set you over much."*** Mt. 25:21.

I also know you have faced many challenges; difficulties have come your way. However, with your many gifts and strong faith you have overcome every obstacle, proving to yourselves that there is always a beautiful destination waiting for you. I am proud of you and how far you have gone with the help of God, your families and school staff.

**THANK YOU SO MUCH Class of 2022** for all you have done for our school family. Thank you for helping us to grow in love and in faith.

I will constantly pray to God and St. Anna, the mother of Mary, asking them to always bless you and protect you as you continue your journey discovering new beautiful and exciting destinations. Please never forget that SAS will be always your home. Don't forget to smile!

Fr. Carlos

**THANK YOU SO MUCH ST. ANNA SCHOOL!!**

St. Anna school is now on vacation until August. So, I want to take this opportunity to recognize the wonderful job our **school principal, Mrs. Legendre**, school staff and faculty have done during this academic year

**2021-2022.** Thanks to their hard work, dedication and endless care, our school always offered a safe-welcoming environment to all the children and their families. I ask you to please join me in offering a prayer of thanksgiving for our amazing school community. Let us ask the Lord and St. Anna, the mother of Mary, to keep them all safe as they enjoy this well-deserved summer vacation.

### St. Anna School News

We are excited to announce that SAS has scheduled a summer date for the **Golf Tournament!!! It will be held on Monday, August 8, 2022 at the Northern Spy Golf Course** in Townsend, MA (formerly known as Townsend Ridge). An official registration form is available on both the Parish and School websites. We will also be asking families to consider donating prizes for raffles as well.
