

Every Saint Walks Around us Happy and Smiling.

Autumn in November is the time of year when we think more than usual about the passage of time.

We are reminded of this by nature, but also by the feast of All Saints and All Souls, which we celebrated on November 2nd as a day of prayer for the dead, whose souls await their final meeting with God in Purgatory.

In November we also connect more often with our saints in heaven - those who have been raised to the altars by the Church and those who have left purgatory and are rejoicing in the Father's house, where we are also on our way. But to get there, we should follow the example of those who lived before us and are saints today.

"Every saint walks around smiling..." - these are the words of one of the songs that children were singing **on Saturday, November 1st** when they were dress as saints and angels.

On that day, our St. Thomas Becket & Alphonsus Liguori Parish experienced the **"All Saints' Ball."** The event that was held at St. Thomas Becket Campus.

We would like to thank all parents and children for their great participation in this event.
