CONFIRMATION 2026

Service Project

Christian Commitment to Service Jesus came “not to be served, but to serve.” (Mt 20:28) The church is a servant community and all those accepting full membership in the church are also accepting responsibility to serve. Candidates for the reception of Confirmation are asked to select service projects that are geared to their own special talents and abilities. Service should be performed freely and willingly. It could help the parish, neighborhood, or the local community. The service projects are meant to represent the candidate’s intention of becoming a full member of this servant community, the church.
