## PREP News ...

**PREP, Chi Rho, High School Confirmation Registration**  
Registration for 2023-24 Religious Education sessions continues. Forms are available in the PREP Office, YM Office, Church Office, Narthex, and may be downloaded from the PREP page of the St. Mary of Vernon website. If you choose to email in a completed form, payment must be made in full, and proof of payment should be submitted with the registration form.

Full payment is due with registration form. Outstanding balances from prior sessions must be paid in full. Checks may be mailed in or brought to the PREP Office. For your convenience, use this QR code, which connects directly to the Parish donation site, GiveCentral, to pay tuition and fees.

Special financial arrangements can be made, if needed, but you must contact the PREP Office for information and approval.

We are still in need of a 6th grade Sunday morning teacher, as well as assistants for our Sunday morning and Monday after school classes. Let us know if you'd like to join the team!

The PREP Office will be closed from Friday, July 7th until Tuesday, July 25th.

If you need assistance, please go to the Church Office or email [mwinegard@maryofvernon.org](mailto:mwinegard@maryofvernon.org) and we will get back to you as soon as possible.

### LOOKING AHEAD - FALL FUN FOR FAMILIES

Would you like to see Family Fall Fest return to SMV? If yes, we need volunteers! If interested in joining the planning committee, or just helping for a few hours one fall Saturday afternoon, please contact Kent Liederbach at [kliederb@alumni.nd.edu](mailto:kliederb@alumni.nd.edu)

Planning committee members would be expected to attend bi-weekly meetings held on weekday evenings based on overall volunteer availability, with each meeting to last 1.5 to 2 hours.

Every year we at SMV collect school supplies for children of low-income families at St. Angela elementary school on the West Side of Chicago, so they can experience that childhood pleasure of starting school in the Fall with fresh, new school supplies. Many families there are under- or unemployed and cannot afford these extras for their children. We also give school supplies to our Sharing Hands families.

Back-to-School sales are in progress—please consider picking up some extra things and bring them to Mass (collection boxes in Narthex) or the Sharing Hands donation door from now through August. Any and all school supplies are most appreciated—but please buy only wide-rule paper or notebooks (no college rule). Please call the Parish Office during the week for the code to the donation door. 847-362-1005.

### Protect Pollinators.

Bees, butterflies, and other key pollinators are necessary for most of our major food crops. Honey bees pollinate 80 percent of all flowering plants alone, including more than 130 types of fruits and vegetables. According to Farmers.gov, the ecological service provided by pollinators is valued at \$200 billion each year.

Unfortunately, bee populations have dropped alarmingly across North America, as have the populations of many other pollinator species. They are in serious decline due to exposure to parasites, pesticides, disease, habitat loss and other environmental contaminants. If we all dedicate just a small area to protecting habitats for pollinators, using native plants and sustainable gardening practices, we can help safeguard our common home. Limit pesticide use and consider following these tips to start your own pollinator garden at:
