

MISSION TOGETHER: Reaching out to the World

What is Mission Together?

The Missionary Childhood Association is active in over 130 countries, and its motto is:

**Children pray for children.
Children evangelize children.
Children help children
around the world.**

The MCA **nurtures a missionary spirit in children**, encouraging them to share their faith and resources, while fostering vocations to **missionary service**. It serves as a vital tool for children to grow in faith & develop a sense of community with children in need around the world.

How Missionary Children Support Their Peers

We will help our Mission Friend by:

- Praying for our mission friend.
- Learning about our mission friend and the place in which they came from.
- Assist in our mission friend's needs by donating moneys in the MITE box we received.

Directions:

1. Choose one of the colors listed on the "Prayer for our Continents" page, and pray the corresponding prayer daily for the children in need from that Continent.
2. Fill out the "Mission Together" Prayer Promise.
3. Complete the Painted Prayer Pebbles activity.
4. Return the Prayer Promise and Pebble to the Gathering Space RE table whenever they are complete. We will display the Prayer Promises there, and add the pebbles to the "garden" area by the front window.
5. Fill your Mite Box for the remainder of Lent and following with any money you would like to contribute to help provide needed food, clothing and supplies to children around the world in need. Return the Mite box to the Gathering space table (place in the donation box provided) during the weekend of April 11/12.

Thanks so much for participating!
