

Welcome Back Knights!

The Nativity Parish School PTO wishes you all a very warm welcome as we embark on the 2021-2022 school year together! One of the things which makes our school community so very special is the partnership between the incredible teachers and staff at NPS and our involved and engaged families. For those of you who are unfamiliar with us, PTO is composed of parent volunteers, teachers, and administrators who organize a variety of activities that benefit our amazing parish school. PTO works hard to help make the school year both enjoyable and exciting for students, teachers, and parents.

A great way to get involved with this amazing school community is through volunteering. We have a wide variety of volunteer opportunities that include activities that are ongoing throughout the year and others that are one-time events. Some positions involve being physically present at school while others can be done from home. We are confident that you can find something that works best for you. Thank you so much for generously giving your time and talents! You can access all of our volunteer opportunities including volunteering in the Classroom, Library, and Lunchroom among other great events through our [PTO SignUp Genius](#).

Also, we encourage our parents to join our [NPS PTO](#) Facebook page where you will find all the latest PTO news and announcements.

Finally, all of our volunteers must be VIRTUS-trained in order to work in the school and with the children. Your participation in the VIRTUS program helps to keep all of our children safe. [Click here to register for a VIRTUS class in our area](#).

Mark Your Calendars
