GOD IS ON THE SIDE OF THE POOR

Two of today's readings make it quite clear that God is on the side of the poor. Amos describes in detail the exploitation of the poor and needy. The psalm repeats that God acts to benefit the poor and lowly. But Luke turns things upside down, telling a tale of a conflicted steward, about to be fired, who demonstrates his cleverness and is rewarded. Like the community to whom Paul writes in Timothy, these readings are personal, directed to believers, members of the Jewish and Christian communities, who struggle to deal with personal choices about how to conduct their lives. They offer an outline for how God wishes us to live in a world as complicated and as confusing as our own. *Copyright © J. S. Paluch Co.*

Mission Statement: Guided by the power of God the Father, Son, and Holy Spirit and through the intercession of our Blessed Mother, Sacred Heart of Jesus Catholic Church will utilize our time, talent, and treasure through the roles of Priest, Prophet, and King to spread the Good News throughout our community and the world.

Stewardship:
Are You Using God's gifts to do God's Works?

Stewardship Moment

In Jesus' parable of the Unjust Steward, we encounter a financial manager who has wasted his master's wealth and faces dismissal from his position. To overcome the crisis confronting him, the steward reduces some very considerable debts owed by poor neighbors to his master in order to help them out. Though the steward has sinned against God and his master by squandering what belongs to someone else, both the prudent way in which he goes about resolving the crisis coupled with relieving people who are in need can be seen as a way to better steward the gifts entrusted to us by God. Although good stewards today acknowledge that they may never use their God-given gifts in a way that completely conforms to the demands of the Gospel, a commitment to using their gifts with prudence and for the purpose of helping their neighbors wins God's favor.
