

Message from the Pastor

So this past weekend was a little disappointing for me and I'm sure for a lot of you, too. Someone pointed out to me that it was about this time two years ago that Fr. Chris Alar, MIC was supposed to come to our parishes and it was cancelled then, too. It's funny how things tend to repeat themselves...

But the question is: what do we do with disappointments? The world says, "Stew in them" or "Get angry" or "Quit". And we know a lot of people who have probably done that when they met with a social, professional, or even spiritual disappointment or failure. How many of us have already failed in our Lenten sacrifices and have been tempted to just give up? I know I already have! But a better solution is to give those disappointments or failures to Christ.

How do we do that? By saying just that: "Jesus, I'm disappointed by this, but I give it to You. I trust that You can make even this into something greater!" When He sees disappointments or failures, Jesus doesn't see it like you and I do. He sees it as an opportunity for us to fully rely on Him. And when we fully rely on Him, that's when Jesus does miracles! Maybe you were ready to make the sacrifice to be at this mission. You wanted to make those sacrifices for your God. But God is going to do something even better with the decision that you and I can make to rely more fully on Him, to unite our disappointment and failure with Him on His Cross. Sacrifice is the fertilizer that makes our life fruitful.

In Christ,

Fr. Witt
