FALL ADULT BIBLE STUDIES AND FAITH FORMATION

Interested in Becoming Catholic?

The Rite of Christian Initiation of Adults (RCIA) is a process for bringing into the Catholic Church both those who have never been baptized and those who were baptized in a non-Catholic church. RCIA is also the best way for adult Catholics who have never been confirmed to prepare for that final Sacrament of Initiation.

RCIA is more than a class; it is a gradual introduction to the customs, beliefs, practices, and devotions of Catholicism as well as developing a personal relationship with our Lord. There is no obligation – only an opportunity to learn. We hope you will join us!

RCIA meets on Tuesdays beginning September 12th in the Upper Room from 6:30 - 8:00pm.

For more information or to register, please contact: Nan Mielke at 419-300-1045 or email at mielkecrew@yahoo.com.

Parishioners wanting to provide hospitality (snacks) for the evening should call the parish office to sign up for a night!

“HOLY IS HIS NAME”

Tuesday Mornings

Beginning September 5th @ 9:00am – Holy Rosary Cafeteria

Monday Evenings

Beginning September 11 at 6:30pm– St. Pat's Rectory

Join us for this 12-week Bible Study

What is holiness? Catholics are taught to prize holiness, to admire it in others, and to strive for it in our own lives. But we're never quite told what holiness is.

Tracing the meaning of holiness first through the Old Testament and then the New, *Holy Is His Name* unpacks how God gradually transmits his holiness to his people - through creation, right worship, and more - and ultimately transforms them through the sharing of his divine life.

Supplemental readings are optional and come from Sacred Scripture, *The Catechism of the Catholic Church*, and Scott Hahn's *Holy Is His Name: The Transforming Power of God's Holiness in Scripture*.

There is no cost, and no need to register—Just Come!

Wisdom & Works of Mercy

“The One Thing is Three”

Join us for this 10 week group study that delves into the Most Holy Trinity and helps to understand the riches of the Catholic faith and how to concretely live it out through a clear, simple and concise way.

Sunday Evenings Beginning September 17

6:30pm - Cafeteria

Books are \$15 and available in the parish office.

A Biblical Walk Through the Mass

Join us for *A Biblical Walk Through the Mass* at **Holy Rosary** in the Upper Room beginning **October 4**, from **7:00 - 8:00pm** and continuing every **Wednesday** for **5** weeks.

The Mass is nothing short of amazing. Through it, we encounter God in the most intimate way possible as we hear him speak to us in the Liturgy of the Word and as we receive him Body and Blood, Soul and Divinity in the Holy Eucharist. In his video-based study *A Biblical Walk Through the Mass*, Dr. Edward Sri explores the roots of the words and gestures we experience at Mass and explains their profound significance. This fascinating tour of the Mass will renew your faith and deepen your love for and devotion to the Holy Eucharist.

For more information or to register for the study, call **Patti** at **419-394-5050** or via email: holyrosary@bright.net. Book is optional - \$15.00.

1st Tuesdays Exposition & Benediction At Holy Rosary Following School Masses

Starting September 5 @ HR

Holy Rosary School is celebrating Exposition and Benediction on the first Tuesday of the month at Holy Rosary (9am to 1pm). The Blessed Sacrament will be exposed on the altar at the end of Mass. **We need adults to sign up for a Holy Hour or Holy Half-hour to pray before the Blessed Sacrament during these hours. If at all possible, we would like two adults at all times.** Sign-up sheets are in the vestibule or you can call the parish office.

We are greatly blessed that Jesus remains with us in the Blessed Sacrament. May we always remain united with him in thanksgiving for the many blessings that are bestowed upon us.

Please consider visiting Jesus in the Adoration Chapel through out the week. For 24/7 Chapel access, please call the parish office.

WHERE DOES IT SAY THAT?

THIS CONSTITUTIONAL AMENDMENT...

THREATENS PARENTAL RIGHTS

By using "individual" instead of adult or woman, anyone under the age of 18 could have an abortion or make any other reproductive decision without their parents' consent or notification.

PUTS WOMEN AT RISK

Current Ohio laws* require abortion providers to explain procedure risks and ensure access to hospital transfer if needed. These health and safety standards could be seen as a "burden" and be eliminated, making it even less safe for women seeking an abortion.

ALLOWS ABORTIONS THROUGH 9 MONTHS OF PREGNANCY

In U.S. law,** "health" includes age or physical, emotional, or psychological well-being. This means a woman's age or emotional health could be cited to justify aborting a full-term baby. An abortion-providing physician would decide when a baby could survive outside the womb, leaving no clear protections for preborn children.

IS MISLEADING

Referring to "miscarriage care" promotes a myth that a "right to abortion" is necessary to preserve care for miscarriages and ectopic pregnancies. This is false. Catholic hospitals have always provided comprehensive miscarriage care and will continue to do so regardless of the outcome of this vote.

ARTICLE I, SECTION 22

*The Right to Reproductive Freedom
with Protections for Health and Safety*

1. Every individual has a right to make and carry out one's own reproductive decisions, including but not limited to decisions on contraception, fertility treatment, continuing one's own pregnancy, miscarriage care, and abortion.
2. The State shall not, directly or indirectly, burden, penalize, prohibit, interfere with, or discriminate against either an individual's voluntary exercise of this right or a person or entity that assists an individual exercising this right, unless the State demonstrates that it is using the least restrictive means to advance the individual's health in accordance with widely accepted and evidence-based standards of care.
3. However, abortion may be prohibited after fetal viability. But in no case may such an abortion be prohibited if in the professional judgment of the pregnant patient's treating physician it is necessary to protect the pregnant patient's life or health.
4. As used in this Section, "Fetal viability" means "the point in a pregnancy when, in the professional judgment of the pregnant patient's treating physician, the fetus has a significant likelihood of survival outside the uterus with reasonable measures. This is determined on a case-by-case basis"; and "State" includes any governmental entity and political subdivision.
5. This Section is self-executing.

* Ohio Revised Code, Sections 2317.56 & 3702.303

** Based on *Doe v. Bolton*

An extreme amendment is on the Ohio ballot in November that threatens the health and safety of women, the rights of parents and the lives of pre-born babies up to 9 months.

**Join Catholics across Ohio
in praying a 54-Day
Rosary Novena
beginning
Friday, Sept. 15,
for the defeat of this
dangerous amendment.**
