A Message from Your Pastor:

Dear brothers and sisters in Jesus Christ,

Today we are celebrating World Mission Sunday. We are called to be missionaries either directly or indirectly, to share our faith, our time, and our resources with others. The readings of this week are focused on the theme "praying with perseverance". How do we pray? How long do we engage in prayer? Perseverance in prayer means to pray persistently and continually. In our busy schedule we may tend to give excuses for not praying. We may wonder does God hear our prayers? Do we remain anxious waiting for results of our prayers? The one who perseveres in his prayers learns the art of sustaining his faith in the Lord Jesus Christ. He will build a faith-filled communication with God; and his spiritual strength which will be seen in his daily life and activities.

St. Paul in his letter to the Romans 12:12 says, "Be joyful in Hope, patient in affliction, and faithful in prayer".

In Colossians 4:2 St. Paul says, "Devote yourselves to prayer being watchful and thankful".

In 2Corinthians 4:16-18 "Therefore we do not lose heart. Though outwardly we are wasting away, yet inwardly we are being renewed day by day".

In James 1:2, "Blessed is the one who perseveres under trial".

In Luke 18:1, Jesus says, "always pray and never give up".

Therefore dear brothers and sisters, let us set aside regular times for our own individual and family prayer. We have heard that "the family that prays together stays together". In all the moments of our lives let us seek God's strength by praying to Him. May our prayer experience lead to a communion with our loving God and with our near and dearly loved members of our family.

God bless you,
Fr. Amir
