## **The Christian Symbolism of the King Cake**

It's Carnival Time!

Carnival Season begins each year on January 6, the Feast of the Epiphany that celebrates the Biblical story of the Three Magi visiting with gifts for the Baby Jesus.

Epiphany, meaning "to show" celebrates the fact that the Magi, who were Gentiles, recognized Jesus, even as an infant, as the savior and so shows that Jesus came to save all mankind, not just the people of Israel.

Carnival, or Mardi Gras season, is synonymous with King Cake Season. The King Cake tradition is thought to have been brought to New Orleans from France in 1870.

A King Cake is an oval-shaped cake to mimic the crown of a king as well as the unity of people of all faiths. It is decorated in royal colors of PURPLE which signifies "Justice," GREEN for "Faith," and GOLD for "Power."

In the past such things as coins, beans, pecans, or peas were also hidden in each King Cake. Today, a tiny plastic, or in some cases porcelain, baby is the common prize. Each person partaking of the cake looks to see if their piece contains the "baby." If so, then that person is named "King" for a day and bound by custom to host the next party and provide the King Cake.

## Candlemas

"A light for revelation to the Gentiles,  
and glory for your people Israel."

Luke 2:32

On Thursday, Feb. 2, the feast of the Presentation of the Lord will be celebrated, with the customary blessing of candles preceding Mass, at 8:30am. The faithful are welcomed to bring their own candles for use at home to be blessed - please keep them with you in your pews. This great feast day marks forty days after the Nativity and definitively ends the Christmas and Epiphany festivities. This ancient feast has been celebrated since at least c.386, probably originating in Jerusalem. It has always been associated with the meeting between Simeon and the infant Christ, and the procession of candles highlights the journey made by the Holy Family to the temple for the purification rites required of mothers after childbirth. The blessing of the candles (added to the feast in the tenth century) and accompanying procession (during which the great Nunc Dimittis canticle is sung, proclaiming Christ as the "Light to enlighten the Gentiles") gave the name "Candlemas" to this day, which has been known by various names throughout the years: *Hypapantē* (Meeting), the Purification of the Blessed Virgin Mary, and (since the eighteenth century) the Presentation of the Lord.

Friday Feb. 3rd is the celebration of the feast of St. Blaise, who was bishop of Sebaste in Armenia in the 4<sup>th</sup> century. Before being martyred, he is said to have healed a boy who was choking. Since the 8<sup>th</sup> century, St. Blaise has been venerated as the patron of those who suffer from diseases of the throat. We will pray in a special way at this Mass for protection from afflictions of the throat and from other illnesses. The blessing of St. Blaise is a sign of our faith in God's protection and love for us and for the sick. After the 6:30am Mass on Friday Feb. 3rd there will be a special Blessing of Throats for all who would like to receive it (not after the 8:30am due to a funeral). The Blessing of Throats will also be offered after all the Sunday masses the weekend of Feb. 4 and 5th.

## PROTECT YOUNG EYES: PARENT TECH TALK

**FEBRUARY 9TH  
6:30 - 8:00PM**

**ST. MARY'S HALL**

*"We have heard you. We are here to help you."*

### **The Digital Culture of Kids: Building a Framework of Trust (Parents and Caring Adults, 14+)**

Technology can do so much good in the world. But if not used well, it can also do so much harm. Never before in human history have young people had the ability to so radically change the trajectory of each other's lives so quickly.

After 7+ years, over 1,500 presentations, testifying in front of Congress, and countless conversations with parents, students, educators, and officers, PYE has discovered that parental controls alone don't work and instead, there are 5 traits that often determine digital success in many families. We call these 5 traits the Digital Trust Framework. What is Digital Trust? Do you have it? How does it apply to conversations about social media? Pornography? YouTube? TikTok? Our fast-paced talk will use stories, simple examples, and quick tips that will give your family immediate actions.

#### **Our desired outcomes include:**

- Knowing the benefits of creating digital trust.
- Greater confidence leading your family in the digital age.
- Awareness of the hardware and software tools that support your digital goals.

#### **About Craig Pohl:**

Craig Pohl, Presentation Expert: Craig is husband to Allison and father to 6 beautiful kids all under age 11, and all girls minus one son. When not managing his home's amazing chaos, Craig serves as the Director of Evangelization for the Diocese of Lansing, constantly exploring new ways to bring the Good News to God's people. Craig has been public speaking for over 25 years and has found great joy in inspiring people to become the "best version of themselves." Craig has always had a special heart for young people and has a passion for helping them navigate the many challenges they face in today's digital world.

# THE MONTHLY PRAYER REQUESTS FOR PRIESTS

WOULD YOU PRAY FOR A PRIEST EACH DAY?

## PRAYER SUGGESTION

O Jesus, Eternal High Priest, live in (name a priest), act in him, speak in and through him. Think your thoughts in his mind, love through his heart. Give him your own dispositions and feelings. Teach, lead and guide him always. Correct, enlighten and expand his thoughts and behavior. Possess his soul; take over his entire personality and life.

Replace him with yourself. Incline him to constant adoration and thanksgiving; pray in and through him. Let him live in you and keep him in this intimate union always. O Mary, Immaculate Conception, Mother of Jesus and Mother of priests, pray and intercede for (...)  
Amen.
