Come, Holy Spirit, fill the hearts of
your faithful and kindle in them the fire
of your love. Send forth your Spirit and
they shall be created, and you shall re-
new the face of the earth.

Let us pray.

O God, who have taught the hearts of the faithful by
the light of the Holy Spirit, grant that in the same
Spirit we may be truly wise and ever rejoice in his
consolation. Through Christ our Lord. Amen.

Rosa Mystica Prayer Group for Priests

Our Marian Movement of Priests Prayer Cenacle meets every Monday morning in Church at 10:30am. Please come join us as we pray for our priests, for their sanctification and holiness, for the seminarians in their discernment process, as well as for an increase in future priestly vocations. For more information contact Cindy Garrett @ 985-892-6381

BE READY THIS HURRICANE SEASON

The Hurricane season is June 1st thru November 30th and being prepared is the most crucial element to staying safe! Now is the

time to make an emergency plan for you and your family. Identify where your family will go in case of an evacuation, which may include finding pet friendly locations. Additionally, identify how your family will get there, whether it's in your own car or by another means of transportation.

Establish a meeting place and communication methods in case your family becomes separated before, during or after a storm. Consider designating an out-of-town relative as your family's point of contact. They may be easier to reach than someone who has also been affected by the storm.

Once your family's plan is in place, make sure your home is also ready. You can do so by securing and cleaning gutters, trimming or removing large tree limbs and securing all doors and windows. You should also secure any items that can cause damage in high winds such as trash cans and outdoor furniture.

Because not all storms warrant an evacuation, your family may choose to shelter in place. Be sure to have enough supplies, including clothing, nonperishable food items, and clean drinking water, to last several days. Charge necessary electronic devices, such as cell phones, before hand and limit their use to conserve the battery life. Additionally, you should prepare a disaster supply kit, including (but not limited to) the following items:

- Flashlight
- Radio
- Extra batteries
- First aid supplies
- Cash
- Copies of important documents (birth certificates, medical records, wills, etc.)

The Vocation Committee of St. Peter Parish invites all women of the parish to commit to offer the graces of their **Eucharist** on every *first Sunday of each month*.

All women are invited to embrace a life of spiritual motherhood by praying for an increase in religious vocations and by making a commitment to intercede both prayerfully and through mortifications for the holiness of existing vocations. Sunday, **June 4th** is the *first Sunday of the month*. May all women of the parish prayerfully consider this offering of graces.

Keep doing the things you love.

Catch health problems before they go too far.

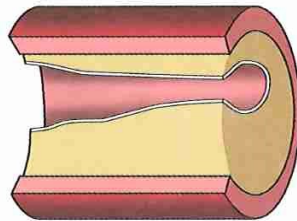

Life Line Screening offers a 4-screening package to provide peace of mind or early detection for risks of stroke and cardiovascular disease. The combination of these tests helps detect problems—**before you have symptoms** and while you and your doctor can still take action...so you can keep doing the things you love.

Plaque buildup can lead to cardiovascular disease, stroke and aneurysms.

A normal artery allows blood to flow through easily.

Plaque buildup in the arteries reduces your blood flow and can be dangerous if left untreated.

Register now to check the health of your arteries

We are coming to your neighborhood.

Where: Covington - St Peter Catholic Church

When: Friday, July 21, 2023

To register for your appointment and to receive the special discount,
please call toll-free **877-792-8479** or visit [LLSA.SOCIAL/HC](https://www.LLSA.SOCIAL/HC)

Screening results are provided to you in about 14 days. We direct all participants with abnormal results to take the report to their physician. Appropriate modification of risk factors (including high blood pressure, smoking, heart disease, diabetes and poor diet) is also necessary for cardiovascular disease prevention. Our screenings cannot detect all forms of stroke risk or cardiovascular disease. All tests are for screening purposes only. You should consult with your personal physician regarding your screening results. Price does not include any applicable review fees. Insurance Note: Life Line Screening does not participate in the Medicare program and the cost of our screening services is not covered or reimbursable by Medicare. Life Line Screening does not file insurance claims nor provide referrals to any physician's group or hospital. If you are unable to attend the screening for any reason whatsoever, we will issue a gift card for the full amount to be used by you, or anyone you choose, for future screening services.
